About Us!

Delco Cruisers is a non-profit car club who combines the love for cars with charitable organizations to make a difference within the Delaware County Community. We are a family-oriented organization, who has zero restrictions on the year or make of vehicle and in fact, does not even require members to own a vehicle.

Our goal at Delco Cruisers to have working relationships with neighboring car clubs and charitable organizations to promote inter club car shows and cruises while giving back to the community.

Delco Cruisers holds a minimum of five (5) shows and events each calendar year, where your company will be on display. We do a lot of work with veterans' organizations and Toys for Tots. We are proud to say in the past 16 years, we have donated over \$50,000 to a number of veterans organizations and numerous truckloads of toys to Toys For Tots for less fortunate youngsters in our area.
