

November 16th

Our Agency, Empowered for Excellence Behavioral Health is a non- profit whose mission is to provide comprehensive and compassionate, integrated mental health and substance abuse services which are client-focused and culturally inclusive to fulfill personal goals. Our commitment is to deliver the highest quality of treatment through faith-based principles, education advocacy, and service excellence.

Thanksgiving is a time of togetherness and gratitude; it reminds us to give thanks and count our blessings, even in the midst of a pandemic

Our agency would like to provide that same opportunity to the residents living in our Recovery House and would greatly appreciate any donations you could provide for our Thanksgiving Dinner we are holding on Thursday November 26th at 12PM for approximately 40-50 residents. Our staff has signed up to make side dishes however we are still looking for additional donations of side dishes, turkeys, or monetary donations to purchase items for the dinner.

Please contact me at 567-316-7253x5489 or by email at rmitchell@efebh.org if you are willing to donate. We can accept dishes the day before at our main office at 3170 W Central Ave, Toledo OH 43606, between 8:00 AM and 5:00 PM or we can also arrange to pick them up.

If you are unable to give, but still want to support our cause, please share this letter with your family, friends, and co-workers. The more people that are aware of our cause will help us to be one step closer to making this a special Thanksgiving for our residents.

Thank you in advance for helping out and being a part of the giving spirit which helps make our EFEBH residential community a special place to live.

God Bless,

Robyn L. Mitchell-Stephens

Human Resources Manager
