

BREAKFAST

All Egg Dishes Are Served With Free Range Eggs. Egg Whites are available - \$1.50
Additional Signature Pan-cakes - \$2.50 Additional.

WE PROUDLY SERVE FREE RANGE EGGS

Free range, organic eggs are more expensive than the regular kind. Are they worth it? Mother Earth News recently reported that studies done at an Oregon lab have found eggs from free range chickens contain 200 percent more vitamin E, 600 percent more beta carotene, 400 percent more Omega 3 fatty acids and 50 percent less cholesterol. Free range eggs are definitely a better choice. Only (0.26) percent of the restaurants use free range eggs. We are proud to say that we are one of them.
