

2024-2025  
RODEO SEASON  
SPONSORS

Dear potential sponsor,

We are reaching out to you on behalf of the Carolina Border Little Britches Rodeo Association (CBLBR). CBLBR is a non-profit franchise of the National Little Britches Rodeo Association (NLBRA). CBLBR was established in 2023 by a small group of dedicated individuals looking to provide the youth of North & South Carolina and surrounding areas the opportunity to participate in a nationally recognized & governed youth rodeo association. The founders of the CBLBR franchise have many years of experience in rodeo production and competition. They are dedicated to providing a safe, fun, family friendly environment for our youth to be able to participate in the sport of rodeo.

*The National Little Britches Rodeo Association, which was founded in 1952, is a youth rodeo organization for kids' ages 5-18. The NLBRA's principal goal is to develop within its members and their families a spirit of fair competition and appreciation of good sportsmanship throughout the experience of healthy rodeo competition. During the competition year more than 3,300 kids across 33 states compete at NLBRA sanctioned events for a chance to qualify for the National finals in Guthrie, OK. Each franchise of the NLBRA operates in accordance with the NLBRA rulebook, creating a level playing field for the youth across the country.*

We are currently seeking sponsorships to help our youth have the best possible season while they work towards qualifying for the national finals event in Oklahoma. We would appreciate your consideration in sponsoring our association in helping support these youth rodeo contestants with their events, year-end prizes and awards. Our rodeo season would not be possible without the generous support of our sponsors!

Should you have further questions or if you would like to learn more about CBLBR please reach out to any of the individuals listed below.

Thank you for your consideration and any contribution you can make to our association is greatly appreciated!

Sincerely,

Thomas Burton (864) 360-8157
