

# CBLBR Appeal Form

CBLBR recognizes contestants may feel the need to appeal at certain times. However, the correct process must be followed. This includes completion of this form, contestant speaking with Arena Director immediately following the infraction prior to leaving the arena and a respectful conversation. If any of the before mentioned, does not happen, contestant will waive their right to an appeal decision. A \$25 fee will be accessed when appealing a decision. If the appeal is approved, the \$25 will be returned to contestant. Must be submitted by end of rodeo performance. Please note that appeals are for rule book discrepancies only, judges calls are final and unable to be appealed.
