Our Instructional Staff is composed of professional individuals carefully selected for their ability to convey knowledge of the craft and their professionalism. It is important to realize that as our student you are the most important person in your education. The staff will teach and train you, but it is very important for you to concentrate on perfecting the dexterity required to master all the different aspects of your trade. Physical dexterity is a skill that cannot be taught. It is achieved only through continuous practice and hard work. Only you can achieve this through perseverance, daily attendance, continuous practice, observation, following daily assignments, and developing good study/work habits.

Things to remember:

- If you have any questions, do not be afraid to ask.
- If you need help, let your Instructor, Educational Standards Supervisor, or the Director of Operations know – that is why we're here.
- We're always open to suggestions and constructive criticism.

- d. We must all work hard to maintain the school's objectives. There is time for fun and your training should be an enjoyable experience. We know we will enjoy you as a student and hope that the feeling is mutual.

School Facilities and Equipment

Please Note: Glitz School of Cosmetology has an approved secondary facility that is located across the parking lot (75 ft away). It is possible that our students may have to complete up to 50% of their education at that location.

Our school is separated into four different areas. We have a nail technology area, cosmetology area, barber area, and esthetics area. Each area is managed in the following manner:

- The nail technology area consists of manicure and pedicure stations. These stations are used for services to models as well as paying customers throughout the day.
- The cosmetology area consists of hair styling stations which include hydraulic chairs, mirrors, and compartments in which students can store their tools. Stations are available on a first-come first-serve basis.
- The barber area includes stations which include hydraulic chairs, mirrors, and compartments in which students can store their tools for the day. Instructors will determine what station each student will use on a daily basis.
- The esthetics area has separate rooms with tables for spa services. Instructors will determine what station each student will use on a daily basis.

Each student is provided a locker to use at their discretion for the duration of their training. Students must provide their own lock. We also have a break room, a waiting area, and modern functional equipment.

Notice of Early Completion for Students Receiving Financial Aid

Please note that, should the student complete the program earlier than the estimated timeframe stated in the contract, the student's financial aid package may be recalculated and that this may result in liabilities owed by the student and/or the institution, if applicable.

Cooling Period

A three-day cooling period is granted if a student (or in case of a student under the state's legal age, his/her parent or guardian) cancels enrollment and requests reimbursement in writing within three business days of signing an Enrollment Agreement, making an initial tuition payment, the initial visit to the school, **or by 11:59 P.M. of the third day of class**, whichever is later. The 3-day cooling period applies whether the student began training or not. All money collected shall be refunded except for the \$92.33 (plus tax) non-refundable application fee.

Scholarships and Tuition Waivers

Glitz School of Cosmetology reserves the right to award scholarships and tuition waivers at its own discretion. Tuition waivers include a partial or full cost reduction of the tuition only.

Financial arrangements Prior to Enrollment

The student must make financial arrangements with the Financial Aid Office in regard to FAFSA application, V.A. Benefits, Scholarships and/or Cash payment plan prior to enrolling.

Payment Terms

Student and sponsor/co-signer (if applicable) agree to pay the school the tuition and fees for the program according to the approved payment plan stated in their enrollment agreement. A non-refundable \$92.33 (plus applicable tax) application fee must be turned in with the application. Once a student is accepted, he/she must make financial arrangements with our institution no later than the first day of instruction by the end of day. The remaining balance is due through an approved payment plan as stated in the enrollment agreement. Payments may be made by cash, money order, credit card, or through federal and state financial aid programs and loans. Students are responsible for paying the total tuition and fees as well as repaying any applicable loans plus interest. Students who are 30 calendar days late with their payment will not be allowed to attend class until all payments are made current. Days that the student does not attend due to non-

payment are counted as an absence and do not extend the student's scheduled graduation date nor maximum allowed time frame. The student and sponsor/co-signer (if applicable) understand that they are responsible for any and all balances unpaid by financial aid, regardless of the source.

Late Payments and Outstanding Balances

Students that are 10 calendar days late with their payment will incur a \$10.00 late fee. Students who are 30 calendar days late with their payment will not be allowed to attend class until payments are made current. Days that the student misses due to non-payment are counted as an absence and do not extend the student's graduation date nor their maximum allowed time frame. If an account is more than 90 calendar days delinquent Glitz School of Cosmetology will terminate the contract and begin the collection process. The collection process may include collection fees, wage garnishment, and trade license cancellation. Glitz School of Cosmetology will withhold grades, transcripts, diplomas, state permits, and any graduation documentation from students who are delinquent in their account until all balances are satisfied.

Extra-Instructional Charges

Students who have exhausted all of their absences and have not completed all of their required hours or services by the end of their maximum allowed time frame will incur extra instructional charges (additional tuition charges). The charges will be applied to all hours remaining after the contract ending date. The rate of extra instructional charges is \$25.00 per hour. The extra instructional charges will be applied to the student's remaining balance after they graduate. Please note that financial assistance provided by government entities does not usually cover extra-instructional charges.

Admission Requirements for Transferring Students

Clock Hours

Transferring students must meet all the admission requirements and be approved by Glitz School of Cosmetology as well as the New Mexico Board of Barbers and Cosmetologists. Clock hours from the originating schools that are accepted will be applied at a 1:1 ratio and remaining hours will be charged at the current rate for that program. Please note Glitz may not accept 100% of the hours granted by another school and will only accept up to 75% of the course length. Transfer hours will count as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted. Satisfactory Academic Progress Evaluations for transfer students will be completed based on actual contracted hours.

Credit Hours from Other Institutions

Glitz School of Cosmetology accepts transfer credit hours from all post-secondary accredited institutions. Credit hours will be reviewed by the school board and converted to clock hours based on federal requirements. The hours will then be submitted to the New Mexico Board of Barbers and Cosmetologists for approval. Please note that it is ultimately the New Mexico Board of Barbers and Cosmetologists, and not the school, that approves transfer hours.

In-School Transfers

An in-school transfer occurs when an enrollee transfers from one program to another within Glitz School of Cosmetology. In such instances, the original enrollment agreement will be cancelled, and the student will owe the tuition balance as dictated by the institutional refund policy. Clock hours from the original program that are accepted for the new program will be applied at a 1:1 ratio and remaining hours will be charged at the current rate for that course. It is possible that not all hours will be transferrable from one program to the other. A \$150.00 non-refundable withdrawal fee will be applied to all in-school transfers. Students who transfer from one program to another will qualify for a tuition waiver for their original program if they meet all of the following requirements:

1. Complete the new program with an attendance grade of 90% or better by their scheduled graduation date.
2. Complete the new program with an academic grade of 85% or better by their scheduled graduation date.

Please Note: The amount of tuition waved for the original program will be determined by the administration.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours. Evaluation periods for transfer students will be based on the number of hours contracted with the student. The first evaluation point will be conducted by the mid-point of the contracted hours or the school's (Glitz) established evaluation point, whichever occurs first.

Policy for Admission of Secondary Students

Glitz School of Cosmetology does not currently accept students who are still enrolled in a secondary institution facility.

Policy on Training Agreements

Glitz School of Cosmetology does not currently hold any training agreements with secondary education institutions, government agencies, or any other entities. Glitz School of Cosmetology does not currently accept students who are still enrolled in a secondary institution facility.

Re-entry Students

To be eligible for readmission the student must submit a new application, pay the non-refundable \$92.33 (plus applicable tax) application fee, and meet all the admission requirements at the time of re-entry. The student must also be current on any outstanding debts with Glitz School of Cosmetology. Previous balances owed may be applied to the new agreement balance. Prior clocked hours will be evaluated prior to readmission and submitted to the New Mexico Board of Barbers and Cosmetologists for approval. Please note that it is the New Mexico Board of Barbers and Cosmetologists (and not our school) that determines the amount of re-entry hours that will be accepted. Therefore, previously completed hours may or may not be approved. Approval for readmission is determined by the School Board and is based on program, schedule, space availability, and the student's prior conduct and academic record. Glitz School of Cosmetology reserves the right to deny readmission following termination or withdrawal for any reason. If re-entry is granted, the applicant will be required to sign a new Enrollment Agreement and pay additional tuition, books, supplies, and equipment costs (if applicable). Additionally, any returning students will re-enter in the same progress status as when they left. If a student withdraws and has been charged 100% of their Agreement price, and the student is in good standing, he/she may be eligible to return to the course during the following Twelve (12) month period without any additional tuition costs. If a student withdraws and has been charged less than 100% of their agreement, and the student wishes to reenroll at our school, the student will owe the original amount as determined by their refund calculation as well as the remaining program cost based on the current tuition price. Please note, Glitz School of Cosmetology will not release any graduation documents until all the balances have been paid off.

Multiple Re-entry Students

Approval for re-entry is determined by the School Board and is based on program, schedule, student's academic standing, student's academic and conduct record, and space availability. Students who return to Glitz School of Cosmetology must pay the nonrefundable \$92.33 (plus applicable tax) application fee. Students who re-enter the school will do so in the exact same attendance/academic and financial status.

Please note that it is very difficult for students who withdraw from the school prior to program completion to be granted re-enrollment.

Externships

Students at Glitz School of Cosmetology may, at the school's option, participate in the externship program upon completion of seventy-five percent of their contracted course of study. The externship program allows students to train in a licensed establishment for one day or up to eight hours per week until graduation. However, the maximum number of hours that a student is allowed to complete as part of their externships is 10% of their total program. The training would be supervised by a designated salon licensee and would include any activity that is routine in a salon except offering complete services on the public. The student would be allowed, for example, to perform receptionist duties, ASSIST stylists with salon services; perform inventory or dispensary activities, sanitation duties, etc. Students will NOT be allowed to take appointments for complete services or apply chemicals (specifically hair color or bleach, perm solution, chemical relaxers, or acrylic nail products) to any client. The externship program will allow students who are nearing graduation to begin a professional relationship with a salon and increase their opportunity for successful employment once they complete their program. In addition, it will allow the salon to perform valuable "on-the-job" training while the student is still in training.

In order to qualify for the externship program, the following requirements must be met:

1. The student must have successfully completed seventy-five percent of the contracted course of study

2. The student must have taken and passed an interim FINAL written and practical examination establishing the individual's qualifications to assist in the establishment
3. The student must have an attendance score of 90% or better. If a student falls below the minimum attendance grade of 90% at any time while in the externship program, the student's externship will be terminated.
4. The student must have an academic and practical grade of 80% or better. Students who fail to meet a grade of 80% or better will be removed from the externship program.
5. The establishment where the student will carry out their externship must agree to complete a certification of attendance and training imparted during the externship. The training must relate to curriculum requirements
6. The student must apply for and post a student externship permit in the establishment while training in the establishment. The student is responsible for the \$25 permit payment which must be made directly to the New Mexico Board of Barbers and Cosmetologists.
7. The student must meet any other eligibility requirement established by the school
8. The establishment must notify and obtain permission from each individual client to allow the student to assist in any manner in providing services to the client.
9. Glitz School of Cosmetology must accept the training certified by the establishment and include it on the official transcript of training for state board
10. The establishment must be willing to receive periodic visits from a school official. The visits will be conducted in order to:
 - a. Observe and verify the program is being followed according to requirements.
 - b. Establishments are not required to participate in this program. However, if they elect to participate, they must agree to comply with the requirements of the program.

PLEASE NOTE: Glitz School of Cosmetology may, at the school's option, cancel or discontinue the externship program in part or in its entirety.

Schedule Changes

Students who wish to change their schedule may do so by submitting a written request to the school director. A \$100.00 fee will apply to each schedule change. Please note, schedule changes will not benefit students who are not on track to graduate within their maximum allowed time frame. The fee must be paid at the time of the schedule change request.

Incarcerated Applicants

Glitz School of Cosmetology does not offer in-person education in any areas other than our campus. Incarcerated applicants who wish to attend our school will only be able to complete up to 25% of their selected program via distance education.

Conviction for possession or sale of illegal drugs

- A Federal or state drug conviction can disqualify a student for FSA funds. The student self-certifies in applying for aid that he/she is eligible for by using the FAFSA. Glitz School of Cosmetology is not required to confirm this unless there is evidence of conflicting information.

- The chart below illustrates the period of ineligibility for FSA funds, depending on whether the conviction was for sale or possession and whether the student had previous offenses. (A conviction for the sale of drugs includes conviction for conspiring to sell drugs)

	Possession of illegal drugs	Sale of illegal drug
1st Offense	1 year from date of conviction	2 years from date of conviction
2nd Offense	2 year from date of conviction	Indefinite period
3+ Offense	Indefinite period	

- If a student was convicted of both possessing and selling illegal drugs, and the periods of ineligibility are different the student will be ineligible for the longer period
- A student regains eligibility the day after the period of ineligible ends or when he/she successfully completes a qualified drug rehabilitation program. Further drug conviction will make him/her ineligible again.
- When a student regains eligibility during the award year, the institute may award Pell and/or Loan for the current payment period.
- A qualified drug rehabilitation program must include at least two unannounced drug tests and must satisfy at least one of the following requirements:
 - Be qualified to receive funds directly or indirectly from a federal, state or local government program.
 - Be qualified to receive payment directly or indirectly from a federally or state-licensed insurance company.
 - Be administered or recognized by federal, state or local government agency or court.
 - Be administered or recognized by a federally or state-licensed hospital, health clinic or medical doctor.

Upon receipt of all required documents and in good order, the prospective student is eligible to enroll in the school. When all admissions criteria and requirements are met, the prospective student is given the date of the next class. The prospective student is asked to bring their Student Permit Fee, if applicable, a color photo of themselves and is informed of the appropriate dress code. The first day of class will include financial aid and academic orientation.

COSMETOLOGY PROGRAM **1600 Clock Hours**

COSMETOLOGY PROGRAM DESCRIPTION

Our 1600 clock hour cosmetology program combines longstanding methods with the latest techniques to provide our students with the ability to serve all generations. Students will be trained in all aspects of this profession including shampoo, haircutting/styling, perming, braiding, coloring. Manicuring, pedicuring, acrylic tips, sculpted nails, facials, waxing, make up, are also part of our curriculum. Students will also be taught how to start and run a successful business.

Cosmetology Program Educational Objectives

Our cosmetology program is a combination of book work and hands-on experience designed to prepare you to successfully pass both the theory and practical licensing examinations administered by the New Mexico Board of Barbers and Cosmetologists. This program is also tailored to meet or exceed the clock hour and service requirements set forth by the state of New Mexico Board of Barbers and Cosmetologists. In addition, this program is fashioned to produce experienced, professional, and confident graduates who can obtain gainful employment and succeed within their field of program study.

Instructional Methods Used for the Cosmetology Program

Instruction is divided into theory (taught in a classroom setting), and hands-on training. Glitz School of Cosmetology uses Milady's Standard Cosmetology book as the primary resource to prepare our students for their State licensing examinations. Our student's learning is also complemented and enhanced through field trips, online resources, and professional guest speakers. Instruction and hands-on training are delivered by certified instructors approved by the New Mexico Board of Barbers and Cosmetologists.

Cosmetology Program Graduation Requirements

In order to graduate from this program, all students must:

- Complete 100% of the contracted hours.
- Complete the program with a 70% or better academic grade (Theory and Practical)
- Complete the program with a 90% or better attendance grade.
- Complete 100% of the services mandated by the New Mexico Board of Barbers and Cosmetologists. Please refer to the program curriculum for additional information.
- Pay off all amounts owed to Glitz School of Cosmetology.

Upon meeting all the above requirements for this program, students will receive a diploma as well as a transcript of training hours. Students will also receive a form containing the steps to follow after graduation. After successful completion of our State approved curriculum Glitz graduates are ready to take the State mandated theory and practical exams. The New Mexico Board of Barbers and Cosmetologists requires for all students to take both the practical and theory examinations within one year from their last day of school. Students who fail to meet this requisite will be required to re-enroll at a school and complete a refresher course.

SATISFACTORY ACADEMIC PROGRESS POLICY FOR THE COSMETOLOGY PROGRAM

Please note this policy is often referred to as “SAP” throughout this catalog

This Satisfactory Academic Progress Policy is provided to all students prior to enrollment. All students, regardless of their program or enrollment status (full time/part time), are evaluated periodically to determine if they are meeting the minimum Satisfactory Academic Progress (SAP) requirements. The academic progress is based on both qualitative (subject knowledge) and quantitative (attendance) performance.

SAP STANDARDS:

Students are required to maintain Satisfactory Academic Progress (SAP) as established by this institution in order to continue to be eligible to participate in the federal government's Title IV financial aid programs. This Satisfactory Academic Progress Policy applies to all students enrolled at Glitz School of Cosmetology, regardless of the source of their funding and/or enrollment status (full-time or part-time). All students must comply with the following standards:

1. All students must maintain a cumulative academic average of 70% or better on all required course work.
2. Students must maintain an attendance grade of 90% or better to meet the requirements set forth by the New Mexico Board of Barbers and Cosmetologists and Glitz School of Cosmetology.
3. All students are held responsible for regular and punctual attendance. Due to regulations set forth by the New Mexico Board of Barbers and Cosmetologists students at Glitz School of Cosmetology must complete 100% of the hours required for their program. For example, a student scheduled to complete a 1000-hour program must complete 1000 clock hours.

4. All students must complete the program within the maximum allowed time frame, which is one and one-tenth (1.11) times the normal length of time required to complete the program as defined in the enrollment agreement. This time frame will be measured in terms of clock hours attempted.
5. Students who fail to complete the program within the maximum allowed time frame of 111% will incur extra-instructional charges at the rate of \$25 per hour. The fees will be added to the student's account after the student graduates.
6. Regardless of the average level of attendance, students who have more than 14 days of consecutive absence will be dismissed (unofficially withdrawn). This standard shall apply to all students except those on an approved Leave-of-Absence (see LOA policy). Students who expect to be absent 14 or more days are encouraged to request a Leave-of-Absence.

In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. These policies are outlined in the School Catalog.

INITIAL PERIOD ATTENDANCE REQUIREMENTS

Students in the Cosmetology program must achieve an attendance grade of 80% or better during the first 25 calendar days of their attendance. If a student's attendance grade is below 80% by the end of their initial period, the student will be terminated from Glitz School of Cosmetology. All fees will still apply as set forth in the refund policy for days attended. A grade of 90% or better is required for student graduation.

SAP EVALUATION PERIODS

Evaluation Periods for Attendance, Practical, and Academic Evaluations:

Student compliance with the policy for Satisfactory Academic Progress is divided into evaluation periods, which include both clock hours and weeks attempted.

PROGRAM	LENGTH (Clock Hours)	APPROVED FOR TITLE IV	EVALUATION PERIOD	ACTUAL CLOCK HOURS	WEEKS COMPLETED
Cosmetology (Full Time)	1600	Yes	1	450	13
			2	900	26
			3	1250	36
Cosmetology (Part Time)	1600	Yes	1	450	22
			2	900	43
			3	1250	60

In the event a student reaches his/her scheduled graduation date and has hours remaining to complete, the student will receive additional evaluations; either at the time the student is scheduled to reach each additional 375 clock hours, or at the time of actual completion of the remaining hours, whichever occurs first.

Evaluation of Transfer Students

Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the maximum allowed time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution. Transfer students will be evaluated either at the midpoint of their contracted hours or the established evaluation period, whichever comes first.

Evaluation of Re-entry Students

Re-entry students will be evaluated at their normal scheduled SAP or the midpoint of their contracted hours, whichever comes first.

Attendance Progress Evaluations

Students are required to carry a minimum of 90% attendance grade in order to maintain satisfactory attendance progress. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 90% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Possible Attendance Scores

96 - 100 Excellent

92 - 95 Very Good

90 - 91 Satisfactory

89- 0 Does not meet standards

NOTE: Students who do not maintain satisfactory attendance grades will be at risk of losing Title IV financial aid.

MAXIMUM ALLOWED TIME FRAME

Students are allowed 111% of their contracted hours to complete their program. This is known as the maximum allowed time frame. Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for determining when the maximum allowed time frame has been completed. SAP Periods are based on actual contracted hours at the institution.

Extra-instructional Charges

Students who do not complete the course within the maximum allowed timeframe will incur extra instructional charges at a rate of \$25 per hour. The additional cost will be added to the student's remaining balance after the student graduates.

MAXIMUM ALLOWED TIME FRAME CHART

PROGRAM	Length in Hours	Length in Weeks	Attendance Hours Per Week	Maximum Allowed Time Frame
Cosmetology (Full Time)	1600 Clock Hours	45.71	35	50.74 Weeks
Cosmetology (Part Time)	1600 Clock Hours	76.19	21	84.57 Weeks

The maximum allowed timeframe for transfer students who need less than the full course requirements or part-time students will be determined based the following formula:

$$\text{Contracted Hours} * 111\% = \text{Maximum Time Allowed}$$

Qualitative Progress Evaluations

Qualitative (Subject Knowledge) progress is determined by combining the scores of all practical and written examinations. Students who do not meet a minimum of 70% grade in subject knowledge will be required to retake practical and written examinations as necessary. Written evaluations consist of tests and quizzes. In the case of practical evaluations students will be graded via the use of a “Yes” or “No” checklist. Students are will be observed while completing any and all learned services. If the student misses a step or uses improper technique the student will receive a “No” for that step.

Qualitative progress evaluations (both written and practical) are evaluated by dividing the number of correct answers by the total possible number of correct answers.

Possible Academic and Practical Scores

90 - 100 Excellent

80 - 89 Very Good

70 - 79 Satisfactory

69- 0 Does not meet standards

NOTE: Students who do not maintain satisfactory academic and practical grades will be at risk of losing Title IV financial aid.

Satisfactory Academic Progress Evaluation Results

All students are provided with a copy of their evaluation results within 7 days of their scheduled evaluation. Students who do not meet the minimum Satisfactory Academic Progress requirements will be required to sign the original adverse evaluation and will be provided with a copy. Students who wish to review their past assignment can request to review their file.

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress will be at risk of having their Title IV Funding interrupted or taken away entirely.

Warning

Students who fail to meet Satisfactory Academic Progress at their evaluation point will be subject to one of the two following processes:

7. In cases where it is determined that the student will be unable to meet SAP by their next evaluation period, he/she will lose financial aid eligibility. The student will be placed on warning and can continue to attend school on a self-pay basis. The student will be advised of their loss of Title IV eligibility in writing. Students will also receive a notification of the actions required to reestablish satisfactory academic progress. Students who regain satisfactory academic progress may regain Title IV eligibility.
8. If it is determined that the student will be able to meet the minimum SAP requirements by their next evaluation period, he/she will be placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing of the possibility of Title IV eligibility loss but will continue to receive Title IV funds. The student will also be advised in writing on the actions required to re-establish satisfactory academic progress by their next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she will be deemed ineligible to receive Title IV funds. Students who lose Title IV eligibility will be notified in writing. Students who are no longer eligible for Title IV funds are allowed to continue attending school on a cash pay basis. Students who regain satisfactory academic progress may regain Title IV eligibility.

Please note: Glitz School of Cosmetology does not offer appeals for unsatisfactory SAP evaluations.

Loss of Title IV Eligibility

All students who are at risk of, or have already lost Title IV eligibility, will be notified in writing. A student who does not the minimum attendance and/or academic standards is no longer eligible for Title IV HEA program funds unless the student is on warning. A student who fails to meet SAP at the end of a warning period will lose Title IV eligibility. If a student fails to meet SAP, and it is determined that the student will be unable to meet SAP by their next evaluation, he/she will lose Title IV eligibility at that point. Students who lose Title IV eligibility may continue to attend school on a self-pay basis. Glitz School of Cosmetology will not release graduation documents to the student or the New Mexico State Board until all remaining balances are paid.

Re-establishing satisfactory Academic Progress:

Students may re-establish satisfactory academic progress and Title IV aid eligibility, as applicable, by meeting minimum attendance and academic requirements by the end of the warning period.

Re-establishing Satisfactory Attendance Progress:

Students are allowed to make up missed hours for excused absences at no charge. Students who wish to make up hours must fill out the necessary form and select the days and/or nights on which the student will attend to make up missed hours. The administration must review and approve the request prior to the student beginning make up attendance. Students are obligated to attend on the days for which they've signed up. If a student is absent on a day for which he/she signed up, then the student will not be allowed to make up those hours.

Students also have the option to make up absences for unexcused absences on Mondays (only) between the hours of 9:30 am and 3:00 pm at a cost of \$5.00 per hour.

Alternatively, students can attend approved advanced classes outside their regular schedule to make up hours. Please note that students seeking to attend advanced classes must fill out the necessary form and must be preapproved. In order for advanced classes to be approved a Glitz School of Cosmetology instructor must be in attendance.

Re-establishing Satisfactory Academic (Theory and Practical) Progress: Students can, and might be required to, retake written evaluations in order to meet the minimum theory Satisfactory Academic Progress (SAP) requirements. It is also permissible for students to re-do any other written assignments that were turned in for a grade. Students who do not have a passing grade of 70% or better by the end of their maximum allowed time frame will be required to retake written and practical examinations until their grade is satisfactory. Extra-instructional charges of \$25.00 per hour will apply. The extra-instructional charges will be added to the student's balance after graduation.

Course Incompletes and Withdrawals

Course incompletes and withdrawals do not apply to this institution and therefore have no effect upon this institution's satisfactory academic progress policy. However, Glitz School of Cosmetology will submit any re-entry hours for the board's approval. The New Mexico Board of Barbers and Cosmetologists (not our school) makes the final determination of the hours that will be accepted. Course incompletes, repetitions, and non-credit remedial courses have no effect upon our school's satisfactory academic progress. Students who reenroll in the school will do so in the exact same attendance and academic status as when they withdrew.

Interruptions

If enrollment is temporarily interrupted for a Leave of Absence (See Leave of Absence Policy), the student will return to school in the same progress status as prior to the leave of absence. The Student's Contract Period and Maximum allowed time frame will be extended by the same amount of calendar days taken in the leave of absence. Students will not incur any additional fees due to a Leave of Absence.

Remedial Courses and Repetitions

Remedial courses do not apply to this institution and therefore have no effect upon this institution's satisfactory academic progress policy. However, it is possible (and highly recommended) for students to retake written and practical evaluations in which the student obtained a low score. Students may attend a program for which they were previously certified at their own expense.

Student Academic Advisement

Progress Records

Students are provided with a copy of their Monthly Progress Reports (if any) and SAP results. Students are also provided with a copy of their test scores, practical evaluation results, financial aid documents, and transcripts. Additional copies can be made upon request at a cost of \$0.10 per page. Requests should be submitted in writing to the CFO. All original documents are kept by Glitz School of Cosmetology for at least 7 years.

Monthly Progress Reports

In some instances, and at the instructor's discretion, students may receive progress evaluations on attendance, academic learning, and practical skills on the last day of every month during the course of their schooling. The staff is required to assist you with any educational and professional concerns whenever possible.

Advisement and Counseling

All students, regardless of their academic standing, will be advised in career goals and challenges. Our instructors are trained and dedicated to eliminating student's areas of weakness and capitalize on student's strengths. All students who wish to specialize in any areas of their training, or otherwise need additional assistance, should inform their instructor as soon as possible. Our instructors will then communicate with the administration to develop a plan to set our students on the path that will offer the shortest path to success.

Notice of Early Completion for Students Receiving Financial Aid

Please note that, should the student complete the program earlier than the estimated timeframe stated in the contract, the student's financial aid package may be recalculated and that this may result in liabilities owed by the student and/or the institution, if applicable.

Repetitions for VA students

The Department of Veteran Affairs does not permit re-certification of courses successfully completed in the past.

The School Administration is the official custodian of the records. All records will be maintained for a period of 7 years from the date of graduation or termination from the school. The School Director may request other school personnel to assist in answering any questions that students may have regarding interpretation of the records. In all cases where access to student education information is requested, except as provided in this policy, a written request to see the files must be made by the student or, in the case of a dependent minor, the student's parent or legal guardian. The school's Chief Financial Officer, upon receipt of this request, will provide access to review the records at a date and time no more than 3 business days after the request has been made. STUDENT GRIEVANCE PROCEDURE

Glitz School of Cosmetology will make every attempt to resolve any student complaint that is not frivolous or without merit. Students are allowed to submit a complaint at any time. Evidence of final resolution of all complaints will be retained in school files. The following procedure outlines the specific steps of the complaint process.

1. The student should request and fill out the internal grievance form from any of the instructors or members of the administration. The student must then register the complaint in writing on the designated form provided by the institution within 10 calendar days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to a person who will serve as an impartial representative of the institution but not be directly involved in the area of the complaint. Retaliation or any form of adverse action against a person registering a complaint is against school policy.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 calendar days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the

complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 calendar days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 calendar days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.

7. Per New Mexico rule **5.100.7.10 (Q)** students must exhaust the institution's internal complaint process before submitting the complaint to the New Mexico Higher Education Department. However, students can submit a complaint with any other of our accrediting agencies at any time.
8. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to the New Mexico Higher Education Department.

Leave of Absence Policy

This policy applies to all students regardless of their program or funding source.

Leaves of Absence can only be granted in the following situations:

1. The student is incapacitated or hospitalized due to serious injury.
2. The student is incapacitated or hospitalized due to serious illness.
3. Death of an immediate family member. For purposes of this catalog "Immediate Family Member" refers to spouse, domestic partner, son, daughter, stepchild, parent, stepparent, brother, or sister.

A student who is granted a Leave of Absence by Glitz School of Cosmetology is not considered to have withdrawn from Glitz. A Leave of Absence will extend the student's graduation date and maximum allowed time frame for completion by the same amount of calendar days granted in the leave of absence. Students will not incur any additional charges due to a leave of absence. Due to the nature of our program, students are only allowed to return to school either at the beginning of a new module, or at the exact same point of the module in which their leave of absence began. Modules are the units of instruction into which the program is divided.

In order to be placed on leave of absence a student must:

- A. Have reasonable expectation that the student will return.
- B. Submit a written leave of absence request in advance unless unforeseen circumstances prevent the student from doing so.
 - a. In the event that a student is unable to provide the request prior to the

LOA due to unforeseen circumstances, Glitz will collect the information from the student at a later date and reach a decision based on the information provided. The beginning date of the approved leave of absence will be determined by the institution to be the first date the student was unable to attend class due to the unforeseen circumstance.

- C. Include the reason as well as backup documentation for the request.
 - i. In instances of serious injury or illness documentation of hospitalization must be submitted.
 - ii. In cases of death of an immediate family member an obituary or a death certificate must be submitted along with proof of the person's relationship to the student.
- D. The leave of absence request must be signed by the student in advance unless mitigating circumstances apply. In cases where a student did not request the LOA in advance due to unforeseen circumstances our school may still grant the Leave of absence upon review of the situation.
- E. The request must be approved by the Director of Operations.
- F. The leave of absence together with any other additional leaves of absence must not exceed a total of 180 calendar days in any 12-month period.
- G. Students will not incur any additional charges due to a leave of absence.
- H. A student who is granted a LOA is not considered to have withdrawn and No refund calculation will be completed.
- I. The student's contract period and maximum allowed time frame will be extended by the same number of calendar days taken in the leave of absence. Changes to the contract period on the enrollment agreement must be initialed and dated by all parties or an addendum must be signed and dated by all parties.

Students may not arbitrarily decide to “take” a leave of absence

If a student is unable to return to Glitz School of Cosmetology at the expiration of an approved leave of absence the student will be considered to have withdrawn.

The withdrawal date used for the refund calculation will be the student's last day of attendance.

Exceptions to this policy due to extenuating circumstances may be accepted.

2. Personal hygiene and sanitation are the daily responsibility of each student. We are in close proximity to many people daily. It is imperative that each student be keenly aware of personal breath and body odor, including cigarette smoke. We strongly suggest showering/bathing before coming to school.

3. At no time during the day (unless designated by the curriculum) are students allowed to work on themselves. Hair, nails, and make-up are to be done before arriving at school. A professional appearance in these areas is essential to the overall image of today's beauty industry.

4. Students in violation of the dress code will be asked to clock out and return after correcting their attire. The Faculty or Administrative Staff will have the final decision on any questionable dress code or appearance violations.

I. Personal Belongings and Kits:

You are required to work as neatly as possible. After each work assignment, you are expected to clean your entire station and chair. Your personal belongings should be stored in your locker or your vehicle.

The school is not responsible for missing items or belongings. Please do not leave personal belongings unattended.

J. Personal Supplies and Services:

Students wishing to purchase supplies or services must first get permission from their Instructor and all supplies and services must be paid for. It is considered stealing for students to receive services or take supplies for personal use without permission. Students who are caught stealing will be terminated immediately.

K. Duties:

A duty roster will be made monthly for all classroom/clinic duties/front desk duties. This will be done on a rotating basis for fairness to all students. Your duties are an assignment as part of your training. Instructors will check all duties at the end of the day. Acceptance of this catalog includes

L. Dispensary and Supply Room:

Only Administrators and Instructors are allowed to access the dispensary room.

M. Client Services:

Students at Glitz School of Cosmetology are required to perform services on clients as part of their instruction. It is the school's policy and requirement for students to continue doing services until they graduate. If a student refuses to do a service on a client, the student will be asked clock-out and leave for the rest of the day. Students are **never** to leave a client unattended – it could be dangerous to the client and it is unprofessional.

N. Weapons in School:

With the exception of pepper spray, weapons of any type are strictly forbidden in school. Students caught with a weapon in school will be sent home immediately, the weapons will be turned over to the local police department, and a decision will be made as to whether the student will be allowed to return to school.

O. Plagiarism:

Students shall not submit someone else's ideas, processes, or words as their own. Students are required to reference the author when quoting or paraphrasing on all assignments and projects.

P. Attendance, Tardiness, and Absenteeism Policy

1. Attendance Days

Students are required to attend class based on the days stated on their enrollment agreement. Students are not allowed to show up on their days off to make up missed clock hours without first obtaining prior approval from the administration. Saturday Attendance is mandatory and students who fail to submit documentation for absences on such days will incur a \$25.00 fee. Students who have partial Saturday absences (leaving early or showing up late) will incur a charge based on the percentage that they missed. For example, a student who only completed 25% of their Saturday hours will owe 75% of the \$25.00 fee.

2. Excused Absences

Students are required to notify the school prior to their absence at all times unless unforeseen circumstances apply. Notifications **must** be sent to the school manager via email (no texts or calls accepted) to Adrian@glitz.edu. Students are allowed to make up hours for excused absences at any time during regular school hours at no extra charge. The date and time at which the student will make up the hours must be pre-approved by the administration in advance. Absences during scheduled make up hours will be considered unexcused. In order for absences to be considered excused students must submit one of the following forms of documentation:

1. Doctor's note
2. Proof of death of a family member
3. Note from an instructor stating the student was sent home due to a contagious illness

3. Unexcused absences

Students should be aware that absenteeism for more than 14 consecutive calendar days without contacting the school can result in the student being terminated from the program. Students have the option to make up unexcused absence hours Mondays (only) between the hours of 9:30 am and 3:00 pm at a cost of \$5.00 per hour. The fees must be paid at the time of entrance to class on that day.

4. Tardiness

Excessive lateness or overstaying allotted break time could lead to disciplinary action. Students who show up after theory has started may not be allowed to enter the classroom until theory has concluded in order to avoid interruptions. The student will not be allowed to clock-in and the missed time will count against the student's attendance rate. Hours missed due to tardiness can be made up as dictated by the unexcused absence guidelines.

NOTE: Certain assignments are only available for the day on which they are taught. It is unfeasible for the instructor to teach a class again for a single student. Therefore, it is the student's responsibility to make up work on their own time. The student must ask the instructor for missed assignments and/or tests and complete them on their own time.

Q. Every Instructor is your instructor:

Students are expected to receive and follow instructions from every instructor as well as all members of the staff. Failure to follow directions from any instructor or administrative officer is considered a violation of our policy.

R. Creating a Hostile Environment:

It is strictly forbidden for students to behave in a manner that creates or promotes a hostile environment. This includes any actions or comments directed at other classmates, instructors, members of the staff, or clients. These rules apply at any given time on and off campus. There is a zero-tolerance policy for the following actions whether directly or indirectly:

1. Bullying
2. Gossip
3. Harassment (of any kind)
4. Demeaning commentaries
5. Provocation

NOTE: Physical altercations will result in immediate termination and the local authorities will be contacted.

S. Sexual Harassment

It is unlawful to harass a person because of that person's sex. Sexual harassment can include “**sexual harassment**” or unwelcome sexual advances, requests for sexual favors, and other verbal or physical harassment of a sexual nature. Any complaints of sexual harassment will be addressed in-house or reported to the police department, depending on the victim’s wish. Anyone who is found guilty of sexual harassment will be terminated from the school immediately.

T. Clock-in procedures.

Students are allowed to clock in 5 minutes prior to the start of class. Once a student is clocked in he/she must inform their instructor and begin their training. No student shall, under any circumstances, clock another student in or out. Students who are caught using the clock for another student, or allowing another student to clock them in or out, could be suspended or expelled from the school. Students have up to ten calendar days to question any clocked hour discrepancies. For that reason, we recommend that all students print and review their clock hours at the end of every week. Students who forget to clock-in must pay a \$5.00 clock adjustment fee. In the event that our biometric clock fails, students must fill out the time sheet manually.

U. Theft

Students who are caught stealing on school property will be terminated immediately. This rule applies to all forms of theft regardless of who the victim is.

V. Suspensions

Suspensions apply to active days (days of attendance) only. Suspensions do not extend the contract time allotted. Students are not allowed to make up hours for suspension days.

Drug Free Zone Policy

Glitz School of Cosmetology is a federally accredited school and therefore considered a Drug Free Zone in accordance with federal regulations. Glitz School of Cosmetology takes every precaution

to ensure compliance with federal regulations as well as to guarantee the safety of our students, clients, and employees. Students are required to work with sharp objects, strong chemicals, and other hazardous materials during their schooling. Being impaired or under the influence of legal or illegal drugs or alcohol adversely affects the student's ability to perform as well as the safety of our clients, employees, and other students. Students who are suspected of being under the influence of a controlled substance (legal or illegal) or alcohol will not be allowed to work on clients or use sharp objects or chemicals. Students who are suspected of being under the influence of a controlled substance will be required to take a drug or alcohol test. Students who test positive for illegal substances will be terminated from the school. Students who test positive for legal controlled substances must provide proof of prescription from a licensed medical doctor. Students who test positive for legal controlled substances and are unable to provide proof of prescription will be terminated from the school. Students who are suspected of being under the influence of a controlled substance or alcohol and refuse to take a drug and alcohol test may be terminated from the school.

Violation of the above rules and standards may result in disciplinary action up to and including termination from the school. The school reserves the right to terminate any student whose personal conduct towards school staff, clients, or fellow students is deemed unsatisfactory. Re-admittance to the school will be at the School Board's discretion.

Amendments

Glitz School of Cosmetology is an ever-changing institution. Therefore, it is impossible to create rules and regulations that apply to every possible instance. For that reason, it will sometimes be necessary to add, delete, or change some of the rules listed in this catalog. The school administration will meet regularly to update rules and regulations in a manner that is fair to everyone.

Grounds for Termination

Violation of our policies (included in your catalog) may result in disciplinary action up to and including termination from the school. The school reserves the right to terminate any student whose personal conduct towards school staff or fellow students is deemed unsatisfactory. Student termination will be determined based on the type of violation as well as the severity and/or frequency of the offense. Students who fail to meet satisfactory academic progress during their warning period will be terminated from the program. Re-admittance to the school will be at the School Board's discretion. Students who are terminated from the school will incur a \$138.49 (plus applicable taxes) early termination fee.

Conduct and Catalog Acknowledgement

Glitz School of Cosmetology is a place of business and both staff and students alike are expected to behave in a professional manner. All forms of offensive language are prohibited.

In training to be a professional cosmetologist, esthetician, barber, or nail technician, you must be a caring, open-minded individual. You must use your training and knowledge to satisfy the needs and wants of every client. You must be able to put your ego and problems aside in order to be a contributing member of the team. You must be an excellent communicator. This requires the ability to listen and observe, to consult with and suggest ideas, services, and products to colleagues, instructors, management, and clients.

Professionalism can be seen and felt in a school, salon, spa, or any technical business. It is a balanced combination of choice of words, tone of voice, physical actions, education, technical training, determination, honesty, good judgment, decision making, cleanliness, sharp appearance and talent.

Glitz School of Cosmetology maintains a low student to instructor ratio to ensure the highest quality education possible. For that reason, there are several instructors present at any given time. It is necessary that you understand that every instructor is your instructor, including those from another department.

Public sanitation is part of your curriculum as well as a state requirement. Students are expected to maintain a clean workstation throughout the day. Students are also required to clean other areas (including restrooms) as part of their daily and closing duties.

By signing below, I acknowledge that I have received, read, and understood the 2019 Glitz School of Cosmetology Student Catalog:
