Dear Mr Lowe,

On behalf of Lingen Davies Cancer Fund, I am writing to thank you and everyone at NBC Group for raising the wonderful sum of £450.00 from the raffle you held at work. We are very grateful for your support. It allows us to continue to help people like Joy from North Shropshire, who was treated for cancer at the Royal Shrewsbury Hospital:

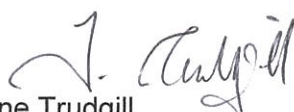

"40 years ago there were no cancer services in Shropshire. Without Lingen Davies Cancer Fund local cancer services would not have been there for my mum, and they would not be there for me."

We believe that excellent cancer treatment should be available as close to home as possible; this has a positive effect on patient experience and outcomes. Your support will help us fund projects focussed on the prevention and detection of cancer, enhancing local services and helping patients adjust to life after cancer. We have just reached our appeal target of £105,000 to fund two EBUS scopes (information leaflet enclosed) and will soon announce details of our next appeal.

Last year community fundraising such as yours raised £351,878. This allowed us to make an impact on the care of over 3,500 patients in Shropshire, Telford & Wrekin and Mid Wales, through funding pieces of equipment, well-being programmes and specialist support staff.

Thank you so much, once again, for your valued support. I enclose a certificate for you to display at work, if you wish.

Yours sincerely,

Jane Trudgill  
Fundraising Officer
