

Luminaria Chairperson Needed

We are ready to start our fifteenth year of our Luminaria program, but we don't have a Chairperson or persons for this program.

We are looking for one or two people that would oversee and coordinate the three parts to the Luminaria program. We already have individuals that have volunteered for the three parts, we just need you to volunteer as the Chairperson. The three parts consist of:

1. The regular kit which we order, put together and sell at Bob's Variety with the assistance of many PRIDES volunteers .

2. Large orders of 25 or more. This is generally for HOA's, churches or large groups. These are delivered directly to the group by our PRIDES volunteers.
3. Luminaria for Luke program where kits are donated and then given to the Luke Air Force Base families at no charge. We also use donations to assist the Luke Library.

The Luminaria program is a vital fundraiser for the PRIDES and this is your opportunity to step up and coordinate this important program.

We partner with Bob Riddle at Bob's Variety to present the Luminaria programs to our community. We often hear that people moving here didn't know anything about the tradition of the Luminarias. It's great that the

PRIDES can contribute to the participation of this celebration at Christmas and raise much needed money for our equipment and operating budget.

This year, we need your help. Volunteer today by calling me at 618-792-3250 to be the Chairperson for Luminaria. Help the PRIDES, help the community and participate in the awesome sight of thousands of lighted bags lining the streets on Christmas Eve.

Thank you.

Ottawa Cheer Partners with the PRIDES

Hard Workers... The Cheer group from Ottawa University have proved they are a powerhouse of energy! They have partnered with the PRIDES and worked in Sections 21, 10, 5 and 3 on three Saturdays. The Monitors all remarked on how much their Section accomplished with these special assignment volunteers.

Thank you Ottawa University Cheer ... We hope to see you again soon!
