Dear WCM Dock "D" Slip Owner:

- A one-time Electric Assessment of \$250 was negotiated with Lambent Electric to reconnect the electric power to Dock D lifts after the May 2024 completion of the WCM Dock D reconstruction project. This assessment was first negotiated for Dock C slip owners with boat lifts in 2023 and was noted at the March 2024 Annual Meeting.
- The Marina Association will pay Lambent Electric for this work, and we are invoicing the Dock D slip owners with boat lifts for reimbursement.
