

Welcome to Summer 2025!

Timing of the Annual Meeting will change to November 2025

IMPORTANT: The White's Creek Marina Board has decided to change the timing of the annual meetings from March to November. Mark Toolan, our Treasurer (and a CPA with years of financial management experience), has advised that holding the marina's annual meeting three months into the fiscal year is contrary to best practices. Changing the meeting before the end of the marina's fiscal year in December ensures that the amount needed for the annual dues is established with the creation of the coming year's budget. This change in scheduling also better aligns with the guidance in the Marina's Code of Regulations/Declaration of Condominium documents.

The next annual WCMB meeting will be held for Slip Owners on Saturday, November 1, 2025, beginning at 10 a.m. at the Millville Volunteer Fire Company's Meeting Room, where the meeting has been held in the past. Please mark your calendars now and let us know if your mailing address has changed to ensure the packet of meeting materials will be sent to the correct address.

From the White's Creek Manor Property Owners Association

Hello, Slip Holders and Slip Renters: The White's Creek Manor community has been experiencing **issues with speeding**. Please be aware that in order to deal with this we are installing radar speed signs and pairing them with cameras. We don't want to play police so please don't speed. Let's have a safe season both on the water and on our roads. Thanks, Marty Lampner, WCMPOA President

U.S. Coast Guard Auxiliary Boat Inspection is this Saturday

The following slip owners signed up for a 15-minute boat inspection on Saturday morning, June 28, 2025, at the White's Creek Marina. Please arrive on time to ensure that the inspections stay on schedule. We still have a few openings and, last year, there were ample volunteers to allow for additional, unscheduled inspections. Please send an email to whitescreekmarina@gmail.com if you would like to be added to the schedule.

Please be considerate of working WCM Board Members

Some of the White's Creek Marina board members work at home, which means they are not available to take calls or answer the door as they spend much of the day in virtual meetings or on their work phones. Please do not visit the homes of WCM Board Members for marina matters unless prior arrangements have been made.

Have an enjoyable and safe boating season!
