MANY THANKS

We are very pleased to report that ALL 147 active slip owners paid the 2023 Special Assessment to support the final phase of the marina reconstruction. Thank you!

UPDATE FROM THE WCMB PRESIDENT

Greetings, I trust this note finds you well. The board will share updates and pictures on the construction project at the annual meeting as demolition is underway on Dock D. We anticipate completing the final phase of the project in ample time for opening day. I would like to thank the volunteers who came out to assist with the fall marina maintenance day, we will recognize those members at the annual meeting. We had a dozen plus members attend allowing the completion of multiple tasks throughout the marina. We plan have another maintenance day this spring as there are multiple items that need to be addressed. This is an all-volunteer organization, so any and all assistance is greatly appreciated. With that said, please ensure that you return your ballot forms as all board positions are up for re-election. We welcome and need members to volunteer who have an interest in actively serving on the board as well as for other activities and tasks need to run our marina. Thank you for your consideration. We look forward to seeing you in March at the annual meeting.
Paul Lubold
