## **About NIFIA**

*The purpose of this Association is twofold: to advance the knowledge and capacities of its membership in the sciences of fire prevention and fire investigation, through mutual cooperation and communication of information; and to assist its membership in efforts to promulgate and promote fire safety awareness and practices by the public, toward the goal of prevention of any loss of life and property from fire.*

Dear Valued Partner,

Last year the Northern Illinois Fire Inspectors Association (NIFIA) held our fourth annual Two-Day Fire Prevention Symposium on November 3rd, 4th and 5th at Great Wolf Lodge in Gurnee. The event was an overwhelming success thanks, in large part, to the many great exhibitors and sponsors. There were over 115 attendees who learned from various speakers and interacted with over 18 exhibitors. We truly appreciate the support we received from both the public and private sector members of the fire and life safety community. Feedback provided to NIFIA was overwhelmingly positive on the quality of the speakers, facilities, and vendor exhibits.

We are planning the fifth annual event to be held on November 2nd, 3rd, 4th, and 5th once again at the Great Wolf Lodge in Gurnee. Our mission is to build on last year's successes and make the 2025 symposium bigger and even better. To accomplish this goal, we will once again need the support of our partners in fire prevention to provide sponsorships and exhibits. Please consider joining us in making the 5th Annual NIFIA Fire Prevention Symposium another rousing success. With your help, this symposium will be an annual highlight for fire prevention, professionals seeking opportunities in education and networking. See the attached flyers for details.

Thank you again and we look forward to working with you in 2025.

Regards,

Tony Breuscher
