

Caterpillar Tire Art Sponsorship
Unique Interactive Art
Boardman Arts Park

Caterpillar Tire Art Sponsorship

Sponsor our Caterpillar Tire Art created in 2025 by the community and led by artist Dina Zaman. The art piece lives in the Park's Imagination Space and is a colorful, interactive piece for kids to enjoy.

For a \$1,000 we will include your company logo and name on the art plaque with social media and website recognition.

ABOUT THE IMAGINATION SPACE

- A place to Wander in Wonder and interact with many art pieces throughout the Park.
- 28,000 yearly Imagination Space / Art Gallery visitors

HOW CAN IT HELP MY BRAND?

- Great for brand awareness as sponsors will be recognized and incorporated in fixtures of the Park
- Part of your brand story, an actionable way to support your community, the arts, a local play area, and Delaware.
- Your support will have longevity as our art and development projects will live for many years, if not be a permanent fixture in our Park.

We hope you consider being part of the Imagination Space in this unique opportunity.

For questions reach out to Rachael@BoardmanArtsPark.org.

Trash Can Art Sponsorship

Boardman Arts Park

Art Trash Can Sponsorship

Did you know trash cans can be art too? 🎨 Help us create another one-of-a-kind trash receptacle at the Park! Designed and built by local artist Todd Timler, even throwing away trash becomes a fun experience!

For a \$1,000 we will include you company logo and name on the art plaque with social media and website recognition.
