

Caterpillar Tire Art Sponsorship
Unique Interactive Art
Boardman Arts Park

Caterpillar Tire Art Sponsorship

Sponsor our Caterpillar Tire Art created in 2025 by the community and led by artist Dina Zaman. The art piece lives in the Park's Imagination Space and is a colorful, interactive piece for kids to enjoy.

For a \$1,000 we will include your company logo and name on the art plaque with social media and website recognition.

ABOUT THE IMAGINATION SPACE

- A place to Wander in Wonder and interact with many art pieces throughout the Park.
- 28,000 yearly Imagination Space / Art Gallery visitors

HOW CAN IT HELP MY BRAND?

- Great for brand awareness as sponsors will be recognized and incorporated in fixtures of the Park
- Part of your brand story, an actionable way to support your community, the arts, a local play area, and Delaware.
- Your support will have longevity as our art and development projects will live for many years, if not be a permanent fixture in our Park.

We hope you consider being part of the Imagination Space in this unique opportunity.

For questions reach out to Rachael@BoardmanArtsPark.org.

Trash Can Art Sponsorship
Unique Interactive Art
Boardman Arts Park

Art Trash Can Sponsorship

Did you know trash cans can be art too? 🎨 Help us create another one-of-a-kind trash receptacle at the Park! Designed and built by local artist Todd Timler, even throwing away trash becomes a fun experience!

For a \$1,000 we will include you company logo and name on the art plaque with social media and website recognition.

Rainbow Bridge Memorial Program
Support Request - Veterinary Clinics
Program by Boardman Arts Park

About the Program

The new Rainbow Bridge at Boardman Arts Park gives anyone who has lost a pet a place to celebrate, memorialize, and honor their pet. This serene corner of the park features a pollinator garden and a bench near the bridge, for people to come and reflect, remember, and heal.

Bridge visitors will have an opportunity to put their pet's tag or collar on the bridge. We will also have four (4) tag making sessions each year, led by local artist Kris Kolb, that is a free opportunity for anyone to make a tag for their pet and hang on the bridge.

Support the Rainbow Bridge

Would your clinic be interested in partnering with Boardman Arts Park to provide support for our Rainbow Bridge Memorial Program for those who've lost a pet? We supply the materials and recognize your clinic as a community supporter.

For \$25/month (or \$300/ year) your clinic becomes a Rainbow Bridge Sponsor that helps us maintain the bridge and hold the tag making sessions.

What's Included as a Rainbow Bridge Sponsor:

- Display for your clinic and cards (provided by the Park) to share with your clients about the program.
- Recognition on plaque at the Rainbow Bridge for your support
- Recognition on Park's website as part of the Program
- Recognition on social media and e-newsletters as sponsors of the program

Interested? Email Rachael@BoardmanArtsPark.org

Example Display Sign

The Rainbow Bridge at Boardman Arts Park

A place to honor the pets who filled our lives with love.

When you're ready, you're invited to hang a tag, collar, or small remembrance on our Rainbow Bridge— a serene space created for reflection, healing, and celebrating the bond you shared.

The Park also offers four complimentary tag-making sessions each year for anyone who would like to create a remembrance tag for the Rainbow Bridge.

Learn more about these sessions & the bridge.
