

# Owl Art Sponsorship

Your company can stand out on this unique art piece! Local artist Matt Roberson built a 13' Owl structure that is climbable and makes sound as visitors rotate the wheel at the top. Our first sound piece in the Park, will certainly be a draw for avid and new visitors alike!

For a donation of \$1,000 we will print your company's logo on one of the owl steps.

We hope you consider having a presence on one of our newer art pieces! Spaces are limited, please let us know of your interest as soon as you can.
