

Art Trash Can Sponsorship

Did you know - trash cans can be art too! Help us build another fun trash receptacle at the Park. Designed and built by local artist Todd Timler - throwing away trash has never been so fun!

For a \$1,000 we will include your company logo and name on the art plaque with social media and website recognition.

We hope you consider helping us create a new art piece for the Park!

For questions reach out to Rachael@BoardmanArtsPark.org.
