ABOUT US

Mission: To connect people through creative experiences and unique events in an innovative park setting.

What started in 2017 as a volunteer project to reclaim an unused green space has grown into Boardman Arts Park — a lively interactive outdoor gallery, gathering space, and event venue that brings creativity and community together in Delaware!

Our 2.2-acre park is home to one-of-a-kind art pieces, iconic large stage, peaceful walking paths, and plenty of spots to sit and enjoy the views. We host favorite community events like the Delaware County Beer, Bourbon & Wine Festival, CREATE!, and Ghost Walk, plus concerts, art and yoga classes, and more. Boardman Arts Park is proud to be a 501(c)(3) nonprofit organization.
