## **Boardman Arts Park: Grant Awarded by the Delaware County Foundation**

### ***Boardman Arts Park, Where Community and Creativity Meet***

Boardman Arts Park is thrilled to share that the Park has been awarded a grant of \$8,000 from the Delaware County Foundation.

The Delaware County Foundation, established in 1995, focuses on enabling current and generational charitable giving for individuals, families, and businesses in Delaware County and Central Ohio. On their website, [delawarecf.org](http://delawarecf.org), their organization model is described: "We are a collection of ordinary people with an extraordinary passion for giving whose funds are invested and distributed to charitable organizations serving Delaware County and beyond."

Through the Directors Unrestricted Fund, Boardman Arts Park has received \$8,000 to be used toward grant-writing consultant fees. With this new support, the Park looks forward to succeeding in more awarded grants for the Park. "This achievement," says Roxanne Amidon, Director of Boardman Arts Park, "would help us expand our ongoing development projects, invest in new resources, and enhance our services."

The mission of Boardman Arts Park is "To connect people through creative experiences and unique events in an innovative park setting". Currently underway at Boardman Arts Park is the Whimsy Venue. The Whimsy Venue will be a 2-acre performance area on Boardman Arts Park's festival field, creating a one-of-a-kind experience for visitors! Plans include an iconic art-forward large stage, enhanced grounds including a mosaic entrance off William St., and a year-round event house. Development has already started; the mosaic panels for the entrance were recently completed! Every dollar, every grant, every consultant is crucial to bringing this vision to life
