Boardman Arts Park's mission is: "To connect people through creative experiences and unique events in an innovative park setting". The Park began in 2017 as a volunteer organized effort to reclaim an unused green space and now has transformed into an outdoor art exhibit and event venue bringing the arts, community and new visitors into the City of Delaware. The 2.2 acre green space is filled with unique art pieces, walking paths, and benches. Annual events are held including the Delaware County Beer and Wine Festival, CREATE! Event and Ghost Walk; as well as art and yoga classes, concerts and socials. The Park is a 501c3 non profit organization.
