“Discipleship for Gospel. Joy. Mission”

Pastor
Patrick
Roddey

Meet Patrick Roddey, a devoted pastor whose journey into ministry was shaped by his education at Liberty University Seminary. With a heart for discipleship, Patrick is committed to nurturing spiritual growth and fostering deep connections within his congregation. His dedication to discipleship extends beyond the pulpit, as he invests time and energy into discipling individuals and equipping them to become disciplemakers. Alongside his supportive wife Amy and their three children - Hayden, Laney, and Lillian - Patrick embodies the principles of faith, love, and community. Together, they seek to exemplify the transformative power of discipleship, inspiring others to embrace a life centered on Christ and His teachings. Through his leadership, Patrick continues to impact lives and lead a thriving community of believers who are passionate about growing in their faith and making a difference in the world.
