

BEACON BY HOSAR

TRACKED. CONNECTED. PROTECTED.

Share your progress—and a GPS starting point—with someone you trust.

A SIMPLE SAFETY APP FOR EVERY OUTING

1. TRAILHEAD

Start your trip and send your first GPS marker.

2. CHECK IN

Update them partway or halfway through.

3. FINISH SAFELY

Send a final text confirming you completed the trail.

GIVE FIRST RESPONDERS A BETTER STARTING PLACE

Your loved one can share your GPS marker with emergency services—helping narrow the search area and enabling a faster response if something happens on the trail.

GOOD FOR ALL AGES & OUTDOOR ACTIVITIES

Hiking • Horseback riding • Hunting • Camping
Mountain biking • Off-roading • Remote travel
