

I am Steven.

**KIDNEY
4Steven**
KIDNEY4STEVEN.COM

I am in need of a kidney transplant to continue my life.

With the gift of a kidney, I will have the chance
to live a longer, healthier life—
one where I can keep helping others and
cherish the moments of watching my family grow.

If you or someone you know might consider
becoming a donor, please share my
story and visit my website to learn more.

From the bottom of my heart,
thank you for your kindness and support.
