Pastor Donald "C.L." Brorsen, Faith Family Church of Houston

Pam Mitchael is a gifted speaker and a captivating storyteller. She draws from the wisdom of the Holy Spirit and exudes the grace and compassion of a fellow sojourner whose life has not gone quite the way she might have planned. Her teaching is covered in the love of the Father and laced with her witty southern analogies and humor. Prepare to glean more than a few nuggets in your time with her!

Mary Ellen M. - Board Member, Space City Tres Dias, TX

The attendees at our retreat for grieving mothers were not prepared to leave so uplifted from the energy, humor, encouragement and relatability Pam delivers! Her unique style of confidence and humility makes it evident that she is grounded in God's word and walking in her anointing. I've never gotten so much positive feedback about a speaker and I assure you that Pam is the kind of speaker that will bring guests back time and time again.

Daisy Thiebaud - Director, Hope Prints Ministries, TX

Pam Mitchael knows the pain of abuse and abandonment, death and divorce, failing and being failed. But despite all these set-backs, she walks with the grace of one whose life is characterized by redemption. She is constantly reminded of the new morning mercies of God.

From actions made against her, and choices made by her, God pulled her out of the muck of her own life to walk with clarity of passion and purpose.

Pam's story will remind you that the pain...

the rejection...

the shame...

It is NOT WASTED!

*Come and see what God has done. Psalm 66:5*
