KILIMANJARO ONE DAY HIKE

Marangu Route

Itinerary

Pick up in Moshi around 0730 to 0800 am. A 45 minute drive will take us to Marangu Gate. Upon arrival at Marangu Gate we will complete the sign in process with the Kilimanjaro Parks department. Following, the hike begins on a well-maintained path slowly leading into the ever-increasing vegetation of the rainforest. Moving further into the forest red *impatiens kilimanjari* and violet *impatiens pseudoviola* can be found, while above Mandara Hut around Maundi Crater, *protea kilimandscharica* have established themselves, all indicating that you are indeed hiking the slopes of the great Mount Kilimanjaro. Picnic lunch at Maundi Crater. Descend to Marangu Gate, return to Kilimanjaro Safaris Lodge around 0630 pm.
