

Pride in Fleetwood Board

Conflicts of Interest

Process

The process for declaring conflict of interests (commercial, actual and potential) is set out below:

- Board members must follow the established process for declaring interests, where the interest is your own or your partner's - which means spouse or civil partner, a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.
- A person's pecuniary interests are their business interests (for example their employment, trade, profession, contracts, or any company with which they are associated) and wider financial interests they might have (for example trust funds, investments, and assets including land and property).
- Board Members must declare pecuniary interests (actual and potential), other relevant non-pecuniary interests (which could be reasonably regarded to be so significant that it could materially impact upon your judgement of the public interest), gifts and hospitality.
- Board members must complete a conflict of interest form (at minimum on an annual basis), which the lead local authority will hold [and publish].
- Board members must update their conflicts of interest on a continual basis and record new interests as they arise.
- Board members are responsible for declaring their interests before the Neighbourhood Board considers any decisions. If an interest has not been entered onto the Neighbourhood Board's register, then the member must disclose the interest at any meeting of the Neighbourhood Board at which they are present, where they have an interest in any matter being considered.
- The general principle is that no Board Member should be involved in a decision where their personal or professional interests may conflict or reasonably be perceived as in conflict with the Boards decision-making.
- Where a Board Member declares an interest, they may be required to withdraw from the meeting for the duration of the item/matter under discussion and will not be permitted to vote on that matter.

- The lead local authority and secretariat must record:
 - actions taken in response to any declared interest
 - any gifts or hospitality given to the Board or individual members

Pride in Fleetwood Board: Conflict of Interest Register

As a Board Member of the Pride in Fleetwood Board, I declare that I have the following pecuniary and/or non-pecuniary interests. Please state 'None' where appropriate, do not leave any boxes blank.

This includes where the interest is yours, your spouse's, civil partner's, or somebody with whom you are living .

NOTIFICATION OF CHANGE OF CIRCUMSTANCES

Each Board Member shall review their individual register of interests before each Board meeting, submitting any necessary revisions to the Board Chair and council secretariat. Any recorded interests relevant to the meeting should also be declared at this point. Even if a meeting has not taken place, a Board Member must, as soon as reasonably practicable, and within 28 days, after becoming aware of any change to the interests specified below, provide written notification of that change to the Board Chair and council secretariat.
