The text is surrounded by decorative elements: snowflakes and small plus signs are scattered around the words 'there's', 'place like', and 'home'. To the right of the text is a line-art illustration of a house with a chimney, a door, and two windows. A heart is positioned above the chimney.

# *Welcome* **to Take Five Dance Academy's Annual Holiday Show.**

Our holiday production has been created in order to give our students an opportunity to showcase the skills they have learned during the first half of our dance season. In addition, it is a wonderful experience for them to perform on a stage, better preparing them for our larger, more elaborate June production.

Please help to make this performance an enjoyable experience for everyone.

- **Please do not get out of your seat while there are dancers performing on stage.**
- **Turn off all cell phones.**
- **For dancers' safety, no flash photography.**
- **No food or drinks allowed in the theatre.  
Water bottles only.**
- **No smoking on high school property, including parking lots. Arizona State Law (A.R.S 36.798.03)**

***This is the season to share special moments with family and friends. Thank you for the opportunity to be a part of your holidays.***
