# Dance with Us, Grow with Us!

From your child's first dance steps to their graduation performance, Take Five Dance Academy offers classes for ages 1 to 18! We specialize in beginners and offer training through pre-professional levels. Our dancers go beyond technique to develop important life skills, learning to be respectful, confident, and conscientious young people who share their gifts and talents with the community.

With 10,000 sq. ft. and over 800 students, Take Five Dance Academy is the largest dance school in the West Valley. We offer classes in Ballet, Tap, Jazz, Acrobatics, Hip Hop and Lyrical.

dance. Keep doing what you love!

**Always - Mom & Dad**

Star Leadership is a mentorship program for students who wish to become stronger leaders in our school and in our community. The class is a youth leadership training course, designed for Take Five Dance Academy, because we are passionate about growing young leaders. Dancers that are chosen to be Teacher Assistants and Demonstrators are participants in this program.

The curriculum focuses on themes of gratitude, giving, public speaking, positive self-image, respect, time management, budgeting money and many other topics that are valuable in leadership development. In addition, we incorporate a continued education component that advises and counsels our Star Leaders on pathways to college or further education goals beyond high school.

We are proud of the young leaders that are growing up at our school.
