1. MAKING THE COMMITMENT

All dancers ages 3-5 are invited to participate in the holiday shows. Look over the scheduled days and times to make sure you are able to make this commitment. Dancers will perform in at ONE SHOW and will learn their routine during their dance class. Students in multiple classes and/or who have siblings that are dancers will more than likely perform in different shows. Teachers will begin teaching choreography in the month of September. Attendance is very important in order to make each dancer and routine successful.

Sign up with your teacher. We need at least two moms, per group, to be backstage at each performance. Room moms do not have to purchase a ticket because they will be able to stand in the wings to watch their dancer(s) perform.

If you choose not to participate in the holiday show, your dancer will still be able to participate in their dance class and benefit from the material being taught.
