3. Permission Slip & Payments Deadline

Saturday, October 25, 2025

Payments for costumes are required when turning in the permission slip. Permission slips must be filled out completely, especially with measurements, chosen sizes, and signed by a parent/guardian.

There are NO REFUNDS once costumes have been ordered.

We are currently accepting costume payments and permission slips. Permission slips are available at the Customer Care Team (CCT) or at TakeFiveDance.com.

4. Tuition & Account Policy

Tuition will not be altered because our Teachers and CCT staff are required to assist with class pictures, parent meetings, dress rehearsals and performances. Make-up classes are available until the end of May. Please plan accordingly. Full tuition, costumes, tickets, and any other balance on your account must be paid before your child/children can participate in the dress rehearsal and performances.

5. Costume Measuring by Parent

Parents will be responsible for measuring their child(ren) and selecting which costume size needs to be ordered. Both measurements and costume sizes must be written on the permission slip. Choose the costume size based on the sizing chart associated with your child's costume for their specific class subject/day/time.

Measuring tapes are available at the CCT.

Sizing charts can be found under your child's class costume picture on the "purple costume wall" or online at TakeFiveDance.com.

6. Viewing Recital Costumes

Families can see costumes for their child's class during the week of Pre-Recital Parent Meetings (October 13th - 18th). Costumes will be on the "purple wall" that is across from Room 2 and online at TakeFiveDance.com.

Additional information will be displayed including, sizing charts, necessary accessories (shoes/tights), and more.

7. Costume Prices

The listed prices are for costumes only.

Additional accessories may be required. Once our orders have been placed with the costume companies, we may be able to accept costume payments after the deadline. However, costume companies charge more for costumes that are purchased individually, rather than bulk ordering. Therefore, a \$20.00 charge per costume will be added. This policy will be strictly enforced.
