

Taoroa School Attendance Management Plan

Approval	17th March 2026	Published on	24th March 2026
Effective Date	17th March 2026	Review Date	17th March 2027

Overarching attendance objectives and strategic priorities

Regular school attendance is vital for the success and wellbeing of our tamariki. Attending school every day supports our tamariki to build strong foundations for their learning and social development. Regular attendance also promotes achievement success as tamariki are able to consistently build on their learning.

Our government has set a national target of 80% of students attending school at least 90% of the time. This means that tamariki should be absent for **no more than one day a fortnight** to ensure that they can have continued success at school.

At Taoroa School our school values of Kia Kaha – Be Resilient, Kia Manawanui – Be Kind, Kia Manaaki – Be Respectful underpins our approach to attendance - every ākonga doing their best to attend our kura. Our Stepped Attendance Response outlines our process for monitoring, supporting and improving attendance - so every ākonga can strive to be the best they can be.

Baseline Data informing our Attendance Management Plan

Term 4 Attendance 2025 (from Every Day Matters)

Regular/Good Attendance	Worrying/Irregular Attendance
45%	25%
	Concerning/Moderate Attendance
	13%
	Very Concerning/Chronic Attendance
	17%

What would success look like?

Success would look like an increase to Regular/Good Attendance, whereby more of our tamariki are attending regularly. The category where the most positive shift could be made is with the Worrying/Irregular Attendance - reducing this category would have a positive impact on Regular/Good Attendance.

While we will also focus on the other two categories, a greater shift can be made focusing on these tamariki and whānau with Worrying/Irregular Attendance.

Annual Target

Regular/Good Attendance	Worrying/Irregular Attendance
45% ↑ 15%	25% ↓ 15%
<u>52%</u>	21%

Rationale for 15% increase: We want to set an aspirational target to move at least 15% (8 children) from Worrying/Irregular Attendance to Regular/Good Attendance.

We aim to increase Regular Attendance by 5% every year until 2030, which would well meet the government target of 80% of children attending 90% of the time by 2030.

Sub Target

Decrease chronic attendance rates in our kura

In term 4 we had 17% (9) of our students chronically absent from school or in other words, absent for greater than 15 days in term 4. This level of chronic absence is concerning. A focus on decreasing the number of Chronic attendances to Moderate or better, would improve outcomes for our learners. A decrease to at least 10% would be an initial target.

Strategic Plan and Annual Implementation Plan

Our Attendance Management Plan sits within our Strategic Plan and Annual Implementation Plan:

- **Strategic Goal 1.1** Prioritise the hauora, well-being and safety of our kura whānau through bringing our school values to life. (NELP 1 + 2)
- **Annual Implementation Plan:** Improve overall school attendance aligned with the Ministry's goal for 2026

Attendance Policy

Taoroa School has procedures to record and monitor attendance, and to identify and follow up concerns. We share attendance expectations with tamariki and whānau and staff are responsible for reminding our community of these expectations.

As required by the Education and Training Act 202 (s35), all students between six and sixteen years old must be enrolled at school. Once enrolled, it is compulsory to attend school regularly, unless a specific exemption has been approved by the school and Ministry of Education. The board takes all reasonable steps to ensure all students enrolled at Taoroa School attend when it is open for instruction (Education and Training Act 2020 s36).

Whānau have legal obligations to ensure their tamariki attend school (Education and Training Act s24). Whānau are expected to:

- Notify the school as soon as possible if their child is going to be late or absent
- Arrange appointments and trips outside of school hours or during the school holidays, where possible
- Work with the school to manage attendance concerns

Further supporting information can be found in our [Policies | Taoroa School](#)

Communicating with Whānau

Ongoing communication with whānau about attendance expectations and follow up, is critical to lift attendance expectations.

In relation to STAR, our kura may use the Ministry of Education resource [Communicating with parents about attendance](#) to support communication with whānau and if required, escalation of attendance concerns.
