Licensed Instructor

Engagement Powered by NCCAP®

NCCAP's standardized MEPAP course is taught by Licensed Instructors who meet strict educational qualifications to ensure quality and consistency.

This evidence-based curriculum was developed by the NCCAP Clinical and Curriculum Advisory Committee and is updated regularly to reflect regulatory changes and industry best practices.

Since 1987, NCCAP Certification has been accepted for meeting the highest standard of CMS.

Start your career path with Activity Professional Certified (APC) and advance to Activity Director Certified (ADC) and Activity Consultant Certified (ACC).

About NCCAP

NCCAP was created in 1986 by the National Association of Activity Professionals (NAAP) as the official credential of the Activity Profession.

NAAP is recognized by CMS in F658 as competent to establish Professional Standards of Practice for the Activity Profession.

The Modular Education Program for Activity Professionals (MEPAP) which is the required curriculum for Activity Professionals that leads to NCCAP Certification.

NCCAP Certification is the only Certification that meets NAAP's Professional Standards of Practice for the Activity Profession and fulfills the highest CMS standard of F680.
