MEPAP

Activity Professional Certified (APC)

The Modular Education Program for Activity Professionals is the required curriculum for NCCAP Certification.

The MEPAP-APC provides the knowledge and skills to deliver life-enriching activities that meet the highest standard of CMS. Our 8 module program covers:

1. Therapeutic Activity Concepts
2. Standards, Regulations and Survey
3. Communication Strategies
4. Aging Through the Lifespan
5. Cognitive and Behavioral Health
6. Documentation Skills
7. Person-Centered Engagement
8. Professional Growth and Self-Care

- Course Fee for MEPAP-APC: \$650.
- Includes Coursebook and initial 2 years certification.
- 90 hours of class work, practicum and final exam result in Activity Professional Certified (APC).
- **Go online today to select a Licensed Instructor, pick a class schedule and register!**

Licensed Instructor
Engagement Powered by NCCAP®

LETITIA CULPEPER

NCCAP'S standardized MEPAP course is taught by Licensed Instructors who meet strict qualifications to ensure quality and consistency.

This evidence-based curriculum was developed by the NCCAP Clinical and Curriculum Advisory Committee.

The MEPAP is infused with the Person-Centered Care Principles of the Pioneer Network and the Alzheimer's Association Dementia Care Practice Recommendations.
