#### STUDY REASON

Of the following categories, selects the one which BEST describes the main reason you are undertaking this course/traineeship/apprenticeship?

- To get a job
- To develop my existing business
- To start my own business
- To try a different career
- To get a better job or promotion
- It was a requirement of my job
- I wanted extra skills for my job
- To get into another course of study

- For personal interest or self-development Other reasons:

### **Modes of Delivery Option**

#### **1 - Face-to face**

All students if they require, have the opportunity of undertaking their training in a face-to-face format with a trainer/assessor at any one of the above locations. For enterprises or existing workers, the same arrangements can be made or alternatively training can take place at your worksite. Please discuss with your trainer/assessor. A student has 12 months to complete their studies through this option. There is a guideline of how long each unit of competency may take to complete (above).

#### **Option 2 - Online**

AIPMT have all their resources available from a log in process via their website. Upon enrolment and payment of fees, students will receive their password to log in to the training area. Once accessed, students will be able to download resources and their work books and progress through these in a self paced model. The required textbook and DVD will be forwarded via post. A student has 12 months to complete their studies through this option. There is a guideline of how long each unit of competency may take to complete (above)

#### **Option 3 - Paper-based/CD**

Paper-based/CD – AIPMT appreciate that not all students have access to the internet. If this is the case, we can forward you all materials on a CD for the student to access via paper base. The student will also receive at the same time, the textbook and DVD. All students have 12 months to complete their study books and progress through these in a self paced model. The required textbook and DVD will be forwarded via post. A student has 12 months to complete their studies through this option. There is a guideline of how long each unit of competency may take to complete (above)

#### **Option 4 - A combination of any of the above**

A combination of any of the above. AIPMT appreciate that students have different needs at different times. It may be a case that a student commences their studies face-to-face, but would require the remainder of their study to be completed either online or using a paper base system. AIPMT will accommodate this request if possible. Please discuss with your trainer/assessor. It is to be noted that, a student is still expected to complete their studies within 12 months. (above)

#### **Other Information**

AIPMT has no third party providing training and/or assessment on their behalf, so please contact us directly for any information you may need. There are no work placement arrangements. For those students who are new to the industry, the practical assessment will be in a simulated environment at one of the RTO's locations.

AIPMT will support the student at all times and our trainers/assessors can be contacted via telephone or email. Once a student has completed all written and practical assessments for this qualification, a certificate will be issued immediately. If a student withdraws from the course before they complete all units, they will receive Statements of Attainment for those units they did complete. A Statement of Attainment will be

issued immediately

AIPMT appeals and complaints processes are included in our Student Handbook, available on this website. The student does not need to supply any resources to undertake this training.

If you have any other questions, please do not hesitate to contact us. If you are happy to undertake training and assessment with AIPMT please proceed to the application form and complete. **DECLARATION**

## Of Pest Management Training

- I understand that the Australasian Institute of Pest Management Training can only issue a Statement of Attainment or Certificate once my USI number has been provided.
- I have downloaded the Language, Literacy & Numeracy Assessment (LLN) from the Australasianinstitute.com website. The completed assessment has been emailed to [aimtraining@gmail.com](mailto:aimtraining@gmail.com). This assessment is to determine if I will require any additional support for the duration of my training. I understand that I am required to complete the assessment and return via email for my enrolment to be processed.
- I understand that, to the best of my knowledge, the theory work I will/have submitted contains no material which has been written by another person except where due reference is made. I understand, should it be found to be false, I will be subject to action by the Australasian Institute of Pest Management Training which may lead to the withdrawal of any Statement of Attainment or Certificate award.
- I also understand that the training videos that are provided as part of the course are a guideline for internal and external treatments and are to be followed for the final assessment of this course. These procedures may vary depending on an individual company's treatment policy and procedure.
- Students *will require the text book 'Urban Pest Management in Australia – 5<sup>th</sup> Edition' to complete their studies, please read chapters specified to answer questions (hardcopy text book supplied if requested).*
- The practical assessment must be conducted after onsite training equalling 16 hours of for units CPPPMT3005 Manage pests without applying pesticides CPPPMT3006 Manage pests by applying pesticides CPPPMT3018 Maintain equipment and pesticide storage area in pest management vehicles. If you don't not currently work in the pest management industry or if you cannot arrange for the required hours with a firm , you will be required attend 2 days of on-site training at one of the following locations:  
Toowoomba, Beenleigh, Kunda Park, Rockhampton  
This will need to be arranged with AIPMT and will be at a cost to the student of \$880.00 per day (\$1760.00 for the 2 days).

All costs associated with the final assessment are at the student's expense.

You will also need to provide all required Personal Protective Equipment (PPE). Please discuss with your trainer prior to attending your 2 days of on-site training. PPE will include clean and well presented clothes (long pants, polo shirt), safety boots, respirator, safety goggles, chemical resistant gloves and a washable hat. Please also bring with you some soap and a towel. Once the on-site practical training has been completed, a final assessment will be conducted with the Trainer & Assessor.

- The purpose of the final assessment is to ensure that you are competent in the training you have completed and you have the skills and knowledge to carry out your desired pest control activities safely, lawfully and professionally. The assessment will consist of verbal questions, scenarios and practical applications of pesticides. Please allow 2 hours to complete the final assessment.
- The student will need to contact AIPMT to arrange dates to complete the final assessment. The assessment can be conducted at the following locations; Toowoomba, Beenleigh, Rockhampton or Kunda Park.
