

## House Vacant; Reinvestment Continues

The Coronavirus pandemic continues to challenge the ability of students to live on campus and **overall university enrollment has fallen over 11%** over previous years. This year, a majority of current members chose to take their coursework online or live off-campus leaving our house empty for the first time in over 100 years. However, the House Corporation Board continues to improve the physical plant and we will be open in the fall.

Thanks to the generosity of our brothers and families, new lighting has been installed around the front door and in the foyer and entry. Additionally, you may remember the incredibly hard water on the Palouse. With the help of Culligan, the House Corporation was able to purchase a water softening system for the house, proving relief to the aging pipes and fixtures. After installation, Corporation Board member Scott Hayman saw an incredible amount of rust and "chunks" coming out of the faucets, showerheads, and dispensers for about a half-hour. We expect the system to provide relief to several other problems as well.

## Join Your Brothers on Facebook Groups

Gamma Theta Chapter has a new groups page on Facebook. Instagram coming soon!

## Help Us Grow our Brotherhood and Refill the House

Being a Kappa Sigma means belonging to a "brotherhood like no other." We recognize the impact that our experiences has had on our lives and how our network of alumni supports each other and those they haven't even met yet.

As part of its national campaign, we invite you to visit the Kappa Sigma national recruitment campaign at [www.kappasigma.org/now](http://www.kappasigma.org/now). Additionally, if you'd like to recommend a student for the chapter, please **fill out this form** and the information will be forwarded on to our chapter and alumni leadership.

Finally, do you have plans for a regional gathering of Kappa Sigmas in your area or would you like to be a part of a Rush event - send a message to [alumniboard@918blake.org](mailto:alumniboard@918blake.org) to let us know and we'll help connect those in your area.

## Alumni Work Party on July 16th

An alumni work party has been scheduled July 16th. We'd love to invite you to Moscow as we prepare the house for new residents.

Especially if you have a pickup, we'd like to invite you for a day of cleaning, organizing, basic home repairs, and exterior maintenance.

If you'd be available to meet up, please reach out to [alumniboard@918blake.org](mailto:alumniboard@918blake.org).

Our chapter turns 116 years old this next academic year. While our time as residents was short, we have made lifelong commitments to supporting each other as brothers.

**We have an immediate need to support the chapter as:**

- \* Trustees on the House Corporation Board who ensures the safety and sustainability of the chapter house; and
- \* Members of the Alumni Board of Control who collaborate with current chapter members to ensure compliance with university/international expectations.

For either position, you can expect a flexible and impactful role in our chapter's operations. Most meetings are held online.

We invite you to let us know you are interested at: [alumniboard@918blake.org](mailto:alumniboard@918blake.org).
