INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
University Preparatory Charter School for Young Men
Rochester, New York

We have audited the accompanying financial statements of University Preparatory Charter School for Young Men (a nonprofit organization), which comprise the balance sheets as of June 30, 2019 and 2018, and the related statements of cash flows for the years then ended, the statements of activities and functional expenses for the year ended June 30, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion.

Certified Women Owned Business

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

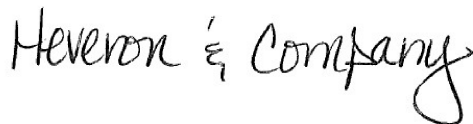

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of University Preparatory Charter School for Young Men as of June 30, 2019 and 2018, and its cash flows for the years then ended, and the changes in net assets and functional expenses for the year ended June 30, 2019 in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited University Preparatory Charter School for Young Men's statements of activities and functional expenses for the year ended June 30, 2018, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 20, 2018. In our opinion, the summarized comparative information presented herein, as of and for the year ended June 30, 2018 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 8, 2019 on our consideration of University Preparatory Charter School for Young Men's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of University Preparatory Charter School for Young Men's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering University Preparatory Charter School for Young Men's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

University Preparatory Charter School for Young Men (the School) is a nonprofit educational organization in Rochester, New York. It was formed to be a small school for young men with personalized attention for each student. The School provides a safe and secure learning environment where respect and compassion are values for adults and students for grades 7-12. The School obtains its support directly and indirectly from organizations and government agencies in the community.

The main programs of the School are as follows:

REGULAR EDUCATION: The School curriculum encourages and promotes young men to be involved, to be active in their learning, and to learn together. The School provides preparation not just for graduation, but for success in college. It is also a place for young men to play sports and engage in exciting, healthy, extracurricular activities. All courses align with the New York State Learning Standards.

SPECIAL EDUCATION: In accordance with the Individuals with Disabilities Education Act, the Rehabilitation Act, Section 504, and the Americans with Disabilities Act, the School provides a free and appropriate education, in the least restrictive environment to students with disabilities. The primary service delivery for students with special needs is inclusion. For students requiring supplemental services, the School has employees on staff to provide the required services outlined in the student's Individual Education Plan or 504 Plan.

FOOD SERVICES: The School believes that healthy meals are an important part of a child's day. Breakfast and lunch are served every day. All meals are intended to meet the required New York State Child Nutrition Standards, and the School subscribes to the New York State free and reduced priced meal program.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Assets

In accordance with accounting principles generally accepted in the United States of America, the School reports information regarding its financial position and activities according to the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, based on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Use of Estimates in the Preparation of Financial Statements

Accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the amounts of assets and liabilities, revenues and expenses, and the disclosure of contingent assets and liabilities. Actual results could vary from those estimates.

Accounts and Grants Receivable

Receivables are stated at the amount management expects to collect. Amounts that management believes to be uncollectible after collection efforts have been completed are written off. In addition, management evaluates the need for, and if appropriate, provides an allowance to reduce receivables to amounts management expects will be collected. Management determined that no allowances were necessary at June 30, 2019 and 2018.

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

A portion of the School's revenue is derived from grants. Amounts received, but not yet earned are reported as deferred revenue.

Funding sources may, at their discretion, amend the grant and contract amounts. In addition, reimbursement for expenses or return of funds, or both, may be requested as a result of noncompliance by the School with the terms of the grants and contracts. The School records such amendments, reimbursements, and returns of funds as an adjustment to revenue in the year of the amendment.

Contributions

Contributions are recorded at the time of receipt or when evidence of a non-conditional promise to give has been received. Promises subject to conditions are not recorded as income until those conditions have been met. Contributions that are expected to be received in future years are recorded at their present value.

Property and Equipment

Property and equipment are stated at cost. The School capitalizes property and equipment with a cost of over \$1,000 and an estimated life of three or more years. Depreciation is computed using the straight-line method based on the estimated useful lives of the assets as follows.

	<u>Years</u>
Building and Improvements	20
Furniture and Fixtures	3-5
Vehicles	5

Depreciation expense amounted to \$365,000 and \$370,303 for the years ended June 30, 2019 and 2018, respectively.

Income Taxes

The Internal Revenue Service has determined that the School is qualified as a charity exempt under Section 501(c)(3) of the Internal Revenue Code. As a result, no provision for federal or state income taxes has been made.

Advertising

Advertising costs are expensed as incurred.

Functional Expenses

The costs of providing the various program services have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the program services, and management and general. An immaterial amount of fund raising costs for the years ended June 30, 2019 and 2018 are included in management and general expenses.

The financial statements report certain categories of expenses that are attributed to both program and supporting functions. Therefore, allocation on a reasonable basis that is consistently applied is required. The expenses that are allocated include occupancy, repairs and maintenance, insurance and depreciation, which are allocated on a square footage basis, as well as salaries and wages, benefits, payroll taxes, other purchased services, student services, supplies, office expenses, and other expenses, which are allocated on the basis of estimates of time and effort for each category.

Reclassifications

Certain account balances as of June 30, 2018 have been reclassified to conform with the presentation as of June 30, 2019.

Comparative Financial Information

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the School's financial statements for the year ended June 30, 2018, from which the summarized information was derived.

Recent Accounting Pronouncements

During 2018, the School adopted Accounting Standards Update (ASU) No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. This guidance is intended to improve the net asset classifications and the information presented in the financial statements and notes about a not-for-profit entity's liquidity, financial performance, and cash flows. Main provisions of this guidance include, when applicable, the presentation of two classes of net assets versus the previously required three. The guidance also enhances disclosures for board designated amounts, composition of net assets with donor restrictions, liquidity, and expenses by both their natural and functional classification.

A recap of the net asset reclassifications driven by the adoption of ASU No. 2016-14 as of June 30, 2018 follows.

<u>Net Asset Classifications</u>	<u>Without Donor Restrictions</u>	<u>With Donor Restrictions</u>	<u>Total Net Assets</u>
As Previously Presented:			
Unrestricted	\$ 8,682,397	\$ -	\$ 8,682,397
Temporarily Restricted	<u>-</u>	<u>7,500</u>	<u>7,500</u>
Net assets, as reclassified	<u>\$ 8,682,397</u>	<u>\$ 7,500</u>	<u>\$ 8,689,897</u>

NOTE 2 - LIQUIDITY AND AVAILABILITY

The School regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the School considers all expenditures related to its ongoing activities as well as the conduct of services undertaken to support those activities to be general expenditures.

At June 30, 2019, the following financial assets could readily be made available within one year of the balance sheet date to meet general expenditures:

Cash and cash equivalents	\$ 3,093,522
Grants receivable	209,560
Less donor restricted net assets	<u>(7,500)</u>
	<u>\$ 3,295,582</u>

NOTE 3 - CASH AND CASH EQUIVALENTS, AND RESTRICTED CASH

For the purposes of the statements of cash flows, cash and cash equivalents include all cash on hand and in banks, which at times, may exceed federally insured limits. The School considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Certain of these accounts are not federally insured. The School has not experienced any losses in these accounts and does not believe it is exposed to any significant credit risk with respect to cash and cash equivalents.

The School maintains cash in an escrow account in accordance with the terms of their charter agreement. The escrow is restricted to fund legal and other costs related to the dissolution of the School.

Cash and cash equivalents, and restricted cash consisted of the following at June 30:

	2019	2018
Checking	\$ 174,105	\$ 568,271
Savings and Money Market	2,919,417	3,197,724
Restricted Cash - Escrow Account	75,865	83,895
Total	\$ 3,169,387	\$ 3,849,890

NOTE 4 - EMPLOYEE BENEFIT PLAN

The School has a 403(b) retirement plan. Eligible employees can make contributions to the plan. Employees are fully and immediately vested in all contributions. The School will make non-elective contributions at the Board's discretion. Employer contributions for the years ended June 30, 2019 and 2018 were \$231,500 and \$215,000, respectively.

NOTE 5 - ACCOUNTING CHANGE

The School has adopted ASU 2016-18, Statement of Cash Flows (Topic 230): Restricted Cash. Management believes that the adoption of the new accounting standard provides a better presentation of cash flows to the user of its financial statements. Before the change, restricted cash and restricted cash and cash equivalents should not have been included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts reported on the statement of cash flows, but now are since the adoption of the standard.

NOTE 6 - SPECIAL EDUCATION AND OTHER SUPPORT

Some of the special education services required by students of the School are provided by the Rochester City School District. The Rochester City School District also provides transportation. The School was unable to determine a value for these services; thus, these financial statements do not reflect revenue or expenses associated with those services.

Additionally, the School does provide certain special education services with its own staff and facilities.

The School also receives State Aid in the form of textbooks, computer hardware, computer software, and library materials through the Rochester City School District. The total aid received for the years ended June 30, 2019 and 2018 was \$15,650 and \$16,238, respectively.

NOTE 7 - DONATED SERVICES AND GOODS

The School receives donated services that, although substantial, do not meet the criteria for recording as revenue and expense under accounting principles generally accepted in the United States of America. During 2019 and 2018, 8 and 10 active volunteers provided 192 and 240 hours of service, respectively.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Independent Auditors' Report

To the Board of Trustees
University Preparatory Charter School for Young Men
Rochester, NY

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of University Preparatory Charter School for Young Men which comprise the balance sheet as of June 30, 2019, and the related statements of activities and functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 8, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered University Preparatory Charter School for Young Men's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of University Preparatory Charter School for Young Men's internal control. Accordingly, we do not express an opinion on the effectiveness of University Preparatory Charter School for Young Men's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

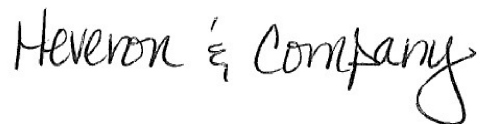

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether University Preparatory Charter School for Young Men's financial statements are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
