

## Imprint Collab Club

We've collaborated on a lot of beers with fellow breweries. Now it's time to embark on a different type of collab, with the folks who've supported us as we've opened our brewery. We would like to increase our brewing capacity at our Hatfield brewery, which would entail several capital expenditures: 1 new 15-barrel fermenter (we currently have four 7-barrel fermenters), 1 new 15-barrel brite tank (we currently have two 7-barrel brite tanks), a 50% larger walk-in cooler, 12 additional taplines, and a 50% longer bar. These additions would increase our on-site brewing capacity 50%. To accelerate these improvements, we are seeking your help. Details are as follows:

## Fine Print & Questions

**Fine Print** Members must be 21 or older. All per-person limits in effect for a given beer will still apply. We will not reserve beer for future pick-up. There is a maximum of 2 memberships per person. There is a limited number of memberships available. Memberships cannot be gifted, sold, or transferred. All beers sold at and by Imprint, in 16oz 4 packs or in 32oz “crowler” cans, are eligible. Does not apply to on-site pours, nor to bottles, growlers, kegs, or other forms of packaging.

**How will beer pick-ups work?** We will be issuing a membership card, which will allow for one 4-pack of 16oz cans or one 32oz “crowler” can per month for Citra members (2 per month for Galaxy members). Members may allow another person (a “proxy”) pick up their beer, provided the proxy is in possession of the membership card at time of pick-up. The proxy must be at least 21 years of age.

**How will pre-sales work?** Up to two times (Citra) or four times (Galaxy), members may purchase, via online payment, 4packs of 16oz cans, up to the stated per person limit in effect for each release. Online pre-sales will be made available for a 24-hour period prior to noon of the Friday of the Saturday can release. Members may pick up their beer Friday/Saturday/Sunday of the release weekend. If a member wishes to apply their monthly beer(s) toward this purchase, we will refund the cost of the 4pack(s) at time of pick-up (the online pre-sale will not be able to verify eligibility for free 4pack(s)). Pre-sales will not be done for 32oz crows.

**Will there be a membership club in 2020?** The short answer: it’s too early to tell. If we do a club in 2020, the 2019 Imprint Collab Club members will be given first opportunity to join. If we do a 2020 club, those members with multiple memberships in 2019, are not guaranteed multiple memberships in 2020.
