

GRACE LUTHERAN CHURCH

Gathering in grace, growing in faith, serving in love

August, 2021

Pastor's Ponderings

When I came to Grace nearly 5 years ago, I learned that Grace is a Bible Camp-loving church. I never went to Bible Camp as a kid, and my former congregation had little history sending kids to Bible Camp, so my daughters had never been to camp either. But when we came to Grace, we quickly learned how important Bible Camp was to so many families here. And we learned how devoted Grace has been to supporting campers and helping send kids to Bible Camp. My younger daughter Scarlett just returned from Lutherdale Bible Camp after her 5th year. If you're like me, you either didn't go to Bible Camp, or it's been many years. So, I recruited a "special correspondent" to share a bit about what Bible Camp is like these days. So this is a paraphrase of my Q & A with Scarlett.

Q: What is Bible camp?

A: It's a place and a time to get together with friends (mostly new), to worship, to play fun games, to sing songs, to tell stories, to do Bible studies, and to have fun with other awesome kids and counselors.

Q: What's worship like?

A: It's usually with all the campers around a campfire, but this year with COVID, we mostly had worship in our villages (2 cabins working together - about 24 kids). Usually each village helps to lead worship one night. We pick the songs and do a skit to tell the story of the Bible verse of the day.

Q: What's your favorite camp song?

A: Alpha and Omega. 🎵 "He is the Alpha and Omega, The Beginning and the End, The Son of God, King of kings, Lord of lords, He's everything, Messiah, Jehovah, the Prince of Peace is He. The Son of Man, seed of Abraham, Second Person in the Trinity." 🎵

Q: What were some of your favorite parts of the week?

A: Swimming in the lake. Riding on the pontoon boat and jumping off of it into the water. Raiding the kitchen for s'mores. Meeting new friends. We're already e-mailing now that we're home.

Q: What does Bible camp have now that it didn't have 40 years ago?

A: Air conditioning in most cabins! There's a ropes course for team-building. It's really hard, but fun. There's a climbing tower. I made it to the top this time, but I was scared to zip-line down. I'm going to do it next year. There's a water slide down the hill into the lake, which is really fun. There's a game called gaga ball that you didn't have when you were little. And no, we can't bring our cell phones along.

Q: Did you get homesick?

A: Yes, but my cabin friends and my counselor were supportive and helped me feel better when I got like that. Everybody's really nice, and they teach us to help each other.

Q: If others asked if they should go to Bible camp, what would you say?

A: Yes! The games are fun, worship is awesome, you learn more about God, and the food is good! I can't wait to go next year!

In Christ,

+Pastor Jennifer

A Message From Bishop Joy

Eight years ago, this month, I participated in the Komen 3 Day in Boston to raise money for Breast Cancer research. At the time, my friend and fellow survivor, Valerie and I were celebrating our 7th year of survivorship. We were also walking in memory of our friends who had passed away.

~ Day 1: The first 20 miles were grueling. Perhaps especially so for me because I had knee surgery 4 weeks earlier and no time to train. I had blisters galore.

~Day 2: The next 20 miles, were slightly less grueling. The blisters grew larger, but I somehow learned to shut off the pain enough to walk the distance between rest stops. I focused on the scenery, the kindness of neighbors along the way who put out encouraging signs and engaged in conversation with people from around the country.

~Day 3: The final 20 miles, were the longest of all. We walked and we walked. Finally, we walked into Boston. It was breathtaking. We came to the end. We celebrated with our tennis shoes in the area and a rally cry of the funds that had been raised. Some may have said this is where the 3 day journey ended. That was not true.

Later that night a bus took me to my hotel. I remember with dismay that my room was far, far away from the registration desk. My feet were badly blistered. I could hardly navigate to get myself to the room. I could not wait to lie down. A hotel mattress never felt so glorious. I flew home the next morning and remember the agony of trying to walk through the airports. I was physically exhausted and emotionally spent. It would take me many years to integrate all that happened in those 3 days.

Perhaps this is also how some of us feel as this pandemic drags on.

~Day 1/Phase 1 was grueling. It was quarantine. We were not prepared. It came up quickly and we had no training to properly prepare us.

~Day 2/Phase 2 began and we somehow learned to deal with it. We all pivoted. We adapted. We found things to distract us. We also learned a lot of new things. Some of it was very, very good.

~Day 3/Phase 3 is the longest of all. We have been walking in this pandemic a long time. Vaccines arrived. Masks have mostly come off. Many have celebrated the end. Some have said that the pandemic is over. This is not the truth. The truth is that we are tired. The pandemic is not over. Cases are rising. The toll and the meaning of the pandemic on our lives, in our churches, and for our communities, is not even known yet. It will take us many years to integrate and understand all that has happened in these days.

However, friends in Christ. We are not alone! We are people of promise and hope. We have a God of unfailing love to walk each step with us and to renew us.

May this God of hope and peace strengthen and keep you this day, this week, and always! - Bishop Joy

Outreach & Social Justice News

Many thanks to everyone who contributed to our LWR (Lutheran World Relief) Personal Care Kits drive. We were able to send \$500 for immediate use, and have 56 kits ready to send with our other kits and quilts in the September boxcar. Our next project will be **School Kits**, so be on the lookout for school supply sales! We have been blessed with so much; it is wonderful to see the generosity of this congregation to help others who are less fortunate.

Are you ready for school bells to ring again? The Outreach Committee will be starting to collect school supplies for our school kits beginning August 1st and ending **September 10th**.

Bags will be available to pick up at church starting July 25th.

School kits provide a chance for kids to attend school whose parents would not be able to send them because they cannot supply them with what they need to attend school. So, thank you for your generosity!

June, 2021

Because of the intensity of the Coronavirus pandemic in Europe, we decided to temporarily relocate to the USA in mid-February. This was a very hard decision for us to make for many reasons, but it turned out to be a good one for our family. Some of the factors that caused us to make this decision included our inability to access a vaccine because of our status as non-citizens, the difficulty of living as a family of three in a dense urban apartment with the required isolation of national lock-downs, and the exhaustion from living through a pandemic for the past year in another language & culture. Our heart goes out to those who continue to endure difficult circumstances without the ability to significantly change them.

After the online and telephone goodbye-for-nows with colleagues and friends, the first stop on our journey to the USA was Wisconsin. Here we were able to quarantine safely, as well as qualify for one of the vaccines.

We were also able to spend time with Zach's side of the family. Once we were fully vaccinated, we then relocated to Western Washington. Rachel and Zach have their ELCA rostered status in Western Washington, as well lots of family and friends.

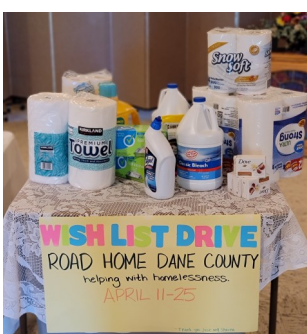

As you can probably imagine, to move around so much during a time of national and international crisis has been very challenging. We are so grateful for all of the support we've received from our colleagues and friends in Hungary, Europe, and the ELCA.

We're also so appreciative of our family and friends who have offered us hospitality along the way.

We look forward to returning to Budapest in mid-July. Please continue to pray for us as we will again be on the move during the pandemic.

While this has been an extremely challenging past year—and especially few months—for our family, we know that so many have—and continue—to experience so much more hardship and loss because of the pandemic and its network effects. We pray for all of those who have experienced loss or increased need, and we also work to advocate for a more just allocation of resources on a local & global scale.

BELOW: DOROTHY'S FIRST VISIT TO THE OCEAN

Thank you for supporting my service project for the Road Home Dane County. Shauna Thayer and I also hosted a Facebook fundraiser where people could donate and 100% of the proceeds went to the charity to help homeless families. We raised \$485 with 16 generous donors.

GRACE LUTHERAN CHURCH COUNCIL MEETING MINUTES

July 15, 2021 Via Zoom from Home (*Minutes below aren't approved until next month's meeting*)

Call to Order- Special meeting called to order by President Steve Geis at 7:31 p.m.

Attendance- Steve Geis, Amanda Kosanda, Tom Kosanda, Mary Behling, Shawn Whitman, Kris Tobias, Tim Neuenschwander, Ann Engelstad, and Pastor Jennifer Jelinek.
Absent: Jean Scott, Kari Jermain, and Jennifer Hellberg

Picnic Plans- Hospitality has set the church picnic for August 8, 2021. They have asked about setting up food and possibly allowing seating inside the church. After discussing many factors, it was agreed that the picnic should basically all remain outside unless weather or other circumstances cause reconsideration.

Communion- Currently, communion is offered every other week. Pastor asked about offering it every week going forward and it was agreed to do so starting July 25th.

Bank signatures for Line of Credit- Tim Neuenschwander said the signers for the Line of Credit were apparently not specifically addressed when we updated signers for other banking purposes. He moved to name Diane Russo, Ann Engelstad, and Jean Scott as signers and also to renew the Line of Credit. Kris Tobias seconded the motion and it was unanimously approved.

Community Dinner- Cambridge Community Activity Program contacted Virginia Becker this week to see if the church will host the community dinner in November as we have in the past. We agreed that we will do so. Steve Geis will contact Tony Buonincontro to see if he will be the main cook again, but if he is unable or unwilling to do so, we will still host the dinner in November.

Financial Information- Tim Neuenschwander stated that he has reviewed the financials for June and there is nothing that can't wait until the regular meeting in August.

Adjournment- There being no further business for the special meeting, Tim Neuenschwander made a motion to adjourn. Kris Tobias seconded the motion and it was approved. The next regular meeting will be August 10th at 7:30 p.m.

Please thank Wendy Lehr when you see her, as she spends hours in our flower and tree beds keeping them looking lovely, all without fanfare, recognition, or letting us know she is the "elf" out there in the heat beautifying our campus.

Thank you, Wendy!

Greetings from the Evangelism Committee

The gospels tell us of the miracle of Jesus walking on the stormy water to reach the disciples in their battered boat. They are frightened for their lives and circumstances, they are doubting their faith. We may find ourselves in this scene, or know of others in our church, our families, or our community facing struggles of circumstance and faith. In the story, Jesus provides a sign unto us.

His miracle gets our attention and we see His behavior and His actions towards others in a way that we might learn. If we try to reach out to others and are rejected – then we respond with grace and walk to them when we see their need, or reach out when they ask, or just join them in the boat and offer love.

Jesus taught us a great lesson in evangelism. When we act on the behalf of others out of grace, we can make profound changes in their lives. We do not need to walk on water for those around us to see our actions and hear our words spoken with kindness and conviction. They may not act immediately, but they will know our hearts and will think about our message. We can call upon the Holy Spirit to guide us and to reach them. We can seek people here at Grace that would love to share the techniques they have found best to reach others.

Jesus reached the hearts of the disciples. Peter Simon affirmed their faith, saying (John 6:67) “Lord, to whom can we go? You have the words of eternal life. We have come to believe and know that you are the Holy One of God.”
