

GRACE LUTHERAN CHURCH

Gathering in grace, growing in faith, serving in love

February, 2021

Pastor's Ponderings

Dear Friends,

This month we enter the season of Lent. (Wasn't it just Christmas?) It was during the season of Lent last year when we were suddenly quarantined and scattered from one another. It doesn't feel possible that we've been apart for a year. And here we are, about to begin Lent still scattered from one another.

We often link Lent to the Israelites' time in the wilderness – a journey of wandering introspection. To me, this whole year has felt a bit like the Babylonian Exile as well. Not up on your bible history? Here's a refresher. After many years of Babylon threatening to conquer the Holy Land, the Babylonians finally stormed Jerusalem, destroyed the city, and burned the Temple. God's people were sent into "exile" – literally expelled from their land and scattered throughout Babylon to live – away from everything they knew, away from the Holy Land, without the Temple or any of their religious traditions. How could they be God's people without being in God's Holy Land? How could they worship God without the Temple? How could they be faithful to God while scattered from one another?

Sound familiar? The Coronavirus forced us to be scattered from one another, exiled from the place we worship. And over the last year, we've faced similar questions – how can we be "Church" without being in church? How can we worship when we can't be together? We've all wondered when we will get back to "normal." Many have worried that we'll lose people, traditions, and activities we've loved after all this time away. Deep down, I think we have a realization that things won't be "the same" again.

But the Exile story may give us some hope here. While none of the Israelites wanted to go into Exile, 50 years later, when they were given the opportunity to return to Israel, many opted to remain in Babylon. Why? Because they found true blessings in their time of Exile. They learned that their faith in God was less about a place and more about a community and about God's Word, which could be anywhere. They learned to build community and observe their traditions in new ways when they were away from Jerusalem. They connected to God and to one another in powerful ways they never would have if they continued their less-than-faithful ways in Israel. Even those who returned to Jerusalem to rebuild the temple, returned having learned how to observe their faith in new ways.

Sound familiar? I hope so. We've all missed being together, but we've also discovered new ways of connecting with one another, which will continue to be blessings even when we can return. We've learned the value of having worship online – so many more people can connect with Grace at any time. Outdoor worship last fall was fun. Zoom has allowed us to participate in studies, meetings, and social times from the comfort of home. Think of all the gas we've saved! Although we don't see each other, it feels like we have many more opportunities to connect with our faith.

Lent will give us more opportunities as well. And as more of us get vaccinated, we can look forward to a time when we will be able to return, having struggled, learned, and grown from the challenges and blessings of our "exile experience."

In Christ,

+Pastor Jennifer

Outreach & Social Justice News

Can you believe that the season of Lent will begin in the middle of February?! That means the Outreach Team has been discussing what our Lenten Challenge should be this year. We've decided to feature Hunger, which continues to be a problem throughout the world. According to the ELCA website, "**More than 820 million people - that's about 11% of people in our world - are hungry. 10% of the world's population live in extreme poverty on less than \$1.90 a day.**" Those numbers are probably from before the current pandemic. ELCA World Hunger helps countries around the world, including the US in many different ways.

Our challenge for World Hunger will once again to raise \$2000 by Easter. If you would like to help us reach this goal, please write a check to Grace Lutheran Church, with "Lenten Challenge" in the memo line and drop it in the mail any time before April 4th. More information will be in the March newsletter.

WORSHIP: Begin your week with the Word of God, preparing your heart and mind to learn more about what it means to hope during the season of Lent.

STUDY: Use ELCA World Hunger's 40 Days of Giving weekly Lenten study at home to dive deeper into stories of hunger & hope this Lent. Download at ELCA.org/40Days

REFLECT: Use these days to revisit and reflect on the weekly study readings.

PRAY: Use the prayers on the Wednesdays on the calendar below as we humbly ask for God's care and blessing over all creation.

GIVE: As you journey through Lent, consider the ways in which your own gifts to ELCA World Hunger can create hope throughout the world. Consider using a 40 Days of Giving jar, setting a specific goal each day, or selecting one of the ideas on the calendar below.

HEAR: Read & reflect on each week's Bible verses.

SING: To close each week, & remind yourself of the salvation to come in the death & resurrection of Jesus Christ, read the hymn texts aloud listed below on Saturdays of Lent.

14	15	16	17 Generous God, provide bread for people who are hungry, shelter for people who are homeless and protection for people who are vulnerable. Listen to the cries of all who are abused or imprisoned or who suffer due to pain, anxiety or illness. Hear us, O God. Your mercy is great.	18 Today would be a good day to set a goal for your giving to ELCA World Hunger as part of the 40 Days of Giving. That goal might be a specific dollar amount or one of the ideas shown throughout this calendar. Write it down on the line below and refer back to it throughout the season.	19 "So we are ambassadors for Christ, since God is appealing through us; we entreat you on behalf of Christ, be reconciled to God. For our sake [God] made him to be sin who knew no sin, so that in him we might become the righteousness of God" (2 Corinthians 5:20-21).	20 "Longing for food, many are hungry. Longing for water, many still thirst. Make us your bread, broken for others, shared until all are fed. Christ be our light!" "Christ, Be Our Light" (ELW 715)
21 Read and reflect on Mark 1:9-15	22 Being the church will require a definition of community that is more expansive, more diverse and more beautiful than we may imagine. Explore what this means with ELCA World Hunger in this week's study, "A Bigger 'We.'"	23 What does your church community look like? In what ways are people of every life journey invited to share their experience and ideas freely?	24 Gracious and loving God, through your Son, Jesus Christ our Lord, you bring light and life for all the world. Help us to listen, learn and love until your light and life fill every community. Hear us, O God. Your mercy is great.	25 Even before the COVID-19 pandemic, the rate of hunger around the world was on the rise after a decade of decline. Now, forecasts warn that hunger and poverty could increase with nearly unprecedented speed. A gift of \$100 to ELCA World Hunger this season can make a difference in the lives of people experiencing hunger and poverty.	26 "Make me to know your ways, O Lord; teach me your paths. Lead me in your truth, and teach me, for you are the God of my salvation; for you I wait all day long" (Psalm 25:4-5).	27 "One bread, one body, one Lord of all; one cup of blessing which we bless, and we, though many throughout the earth, we are one body in this one Lord." "One Bread, One Body" (ELW 496)
28 Read and reflect on Mark 8:31-38			7			

Snow Shoveling Needed for the month of February & March

We are seeking folks who are willing to shovel the church sidewalks on days it snows. Staff & members are in and out of church throughout the week, so safe access is important. The front entryway will need shoveling prior to 9 a.m. weekdays and prior to 8:00 a.m. Sundays on days it snows this winter. Even a light snow is slippery, so we hope that those who can commit to helping will come shovel even if there is just an inch on the ground. Salt and shovels are at each door. Please email the office if you can help & you will be given a key for supplies. Thanks so much!

The Cambridge Food Pantry is continuing to offer no contact grocery pick-up from 5:30-6:30 p.m. every Monday evening. If someone you know is in need of groceries, we encourage them to come by! The Food Pantry would like to thank Grace Lutheran Church for its support of food and money donations. The great need continues.

Items in duplicate are needed most , so if you can donate 12-15 of any boxed or canned item, that is helpful. Also, frozen meals are welcomed.

GRACE LUTHERAN CHURCH COUNCIL MEETING MINUTES

January 12, 2021 Via Zoom from Home (*Minutes below aren't approved until next month's meeting*)

Call to Order. Meeting called to order by President Steve Geis at 7:36 p.m.

Attendance. Steve Geis, Tim Neuenschwander, Amy Simdon, Amanda Kosanda, Mary Behling, Jean Scott, Kris Tobias, Ann Engelstad, Lori Jensen, Tom Kosanda, and Pastor Jennifer. Erik Olsen was excused.

Devotions. Steve Geis presented devotions to begin the meeting.

Approval of November Minutes. Jean Scott moved to approve the December Minutes. Ann Engelstad seconded, and they were unanimously approved.

Consent Agenda. For Outreach Committee, Jean Scott noted that they have started discussing the Lenten Challenge, but nothing has been formalized yet. There were no other committee reports.

Property Report. The new boilers are in & working and old ones have been removed. Council's decision to approve the purchase of 2 new boilers at the price of \$15,995, which was made via email discussion between meetings due to the emergency situation, was reviewed & approved. Discussion was then held regarding the specifics of paying for the boilers. Currently, the expense has been added to the property section of the 2021 budget & discussion was held regarding using part of the one-time gift to offset such emergency expense. Further discussion was held regarding the use of the remainder of such gift & a motion was made by Mary Behling to designate \$15,000 - \$20,000 as a gift-giving goal to be used for supporting needs in the Cambridge community. Lori Jensen seconded the motion. Members offered to contact different organizations in the community to determine needs & the motion was approved.

Treasurer's Report. Tim Neuenschwander reported that income was down for December 2020 by 60% compared to December 2019. Income in November 2020 was up over last year, but the two-month income was still down over \$22,500 from 2019. The budget goal was short by approximately \$30,000 & there was a net operating loss for December, but net income for the year was still over \$99,000. This was an increase over 2019 & was helped by the one-time gift & the PPP loan. Tim then presented the revised budget for 2021 to include the boiler expense. He then moved to approve the revised budget with one income line correction. Jean Scott seconded the motion & it was unanimously approved. Tim then noted that we are only \$20,000 away from meeting the Renewing Grace goal. The principal balance due is \$87,000 at this time & we have \$53,000 in the segregated Money Market account, plus \$14,000 in the general account for covering monthly payments. Tim moved to pay \$50,000 on principal at this time. Amy Simdon seconded the motion & it was unanimously approved. Tim then noted that the audit was completed today & he hasn't heard of any issues. He also noted that Diane Russo asked him to mention that if anyone wants monthly financial reports for their committee, they should let her know. Finally, he stated that an IT issue had come up last week that was easily solved but highlighted that we don't have any IT support. Kris Tobias offered to look at our system and talk to Pastor and the office staff to see what we have & what we might need and then we will discuss this further. Amy Simdon then moved to approve the Treasurer's Report. Lori Jensen seconded the motion, and it was unanimously approved.

Pastor's Report. Pastor Jennifer reported that Advent & Christmas had gone as well as we could hope & she had received many positive comments. The Advent/Christmas team will now be transitioning to a Lent/Easter team with some current members & some new members. She is anticipating that Lenten services will be held via a round-robin of area pastors, with most services being pre-recorded & shown online. She used a Thrivent grant to send out Grace Christmas ornaments to shut-ins. Ben Becker set up a Star word generator online & everyone is encouraged to use it to obtain a Star word for 2021. She mentioned the usual annual retreat for council members & it was agreed to put that off for later. She then indicated that she has been acting as a mentor for the intern who is acting as part-time pastor for Deerfield Lutheran at this time & has now been asked to be her supervisor. Discussion was held regarding what would be expected of her & whether or not such commitment would affect her obligations to Grace. Pastor Jennifer indicated she would like to do this & feels she can do so without slighting her duties to Grace in any way. Tim Neuenschwander moved that we support Pastor in her supervision of this intern. Kris Tobias seconded the motion and it was unanimously approved.

New Business. Annual Meeting Logistics. The Annual Meeting will be held via Zoom, and discussion was held regarding the logistics. Two sessions on use of Zoom have been offered to the congregation and the officers may hold a walk-through exercise for themselves ahead of time. Lenten Planning. Anyone interested in assisting with this should call the church.

Old Business. Music Director Position. An audition/interview is being held for an organist and she will play for the January 31st service. She is interested in the organist position only, not choir director.

Return to Worship Planning. Steve has been providing the council with the weekly positivity rate for Wisconsin, which has dropped some, but is still well above the 5% rate where we agreed to recommend returning to in-person worship. A small move towards re-opening was brought up, i.e., 10 people for Lenten services, but after thorough discussion, most council members felt we should not move forward until the 5% positivity rate is attained. The possibility of having drive-through ashes and communion for Ash Wednesday was discussed.

Welcome, New Members!

Jeannine Thurow

I was born and raised in Oconomowoc, WI and attended the UW of Madison where I received my degree as a Physician Assistant. I have worked in the fields of Family Medicine, Cardiology, Emergency Medicine and lastly Sleep Medicine. I am presently employed with UW Health.

I moved to Cambridge several years ago, and truly enjoy the "small town" atmosphere. I am an avid quilter and enjoy creating and finishing quilts, baby blankets, lap quilts and table runners. If you need a quilt completed I may be able to help :). I enjoy our summers, although they are too short. I keep myself busy with yard work, swimming, hiking, biking, horseback riding and the never ending home owner's projects.

I am happy to be a member of Grace Lutheran Church and be part of this church family!

Dorothy Behling

I am blessed with three grandchildren, 6 grandchildren and 5 great grandchildren. I will also have another grandchild, due this coming April!

Louise Eastland

I have lived the last 2 1/2 years with my daughter and son-in-law, Virginia & Richard Becker. I moved to Cambridge from northern California where I lived with my son for a number of years. Although I never really wanted to go back to a colder place to live, I continue to stroll about a mile each day in the neighborhood on my walker (even during the winter when it's above 30 degrees!) and am thankful for the care of my daughter & son-in-law. I taught for many years in the Iowa City, Iowa school system and was the wife of a Methodist pastor/chaplain. Grace brings me back to my roots growing up in the Lutheran church, where I sang in the choir and learned to love the Lord.

Doug & Gail Tufte

Doug was born in Albert Lea MN, but grew up in West St Paul /Cottage Grove MN. He entered the US Marine Corps right out of high school. Active duty and reserves combined for 26 years, retiring as a Sargent Major. Doug flew for Air Wisconsin Airlines for 31 years. Since "retirement" he has driven a semi truck over the road, school bus in Minnesota and for Nelson's Bus, & has driven a semi for sugar beet harvests for 11 years. Gail was born in St Paul MN and graduated from Sibley High School in W St Paul. After high school, she went to work at the FAA Air Traffic Control Center in Farmington, MN and later for US Customs in Minneapolis. Doug and Gail eventually moved to the Fox Valley (WI). After receiving a degree as a paralegal, Gail worked for 25 years in that position. They moved to Walker, MN and Gail worked at a sporting goods store. Doug and Gail moved to Cambridge in the fall of 2018. Doug enjoys fishing and Gail likes to garden, quilt, and travel. They both love to spend time with their grandsons.
