Pastor's Ponderings

My family's had the opportunity to do some traveling in the last month. Now that we've all been vaccinated, we flew for the first time in 18 months. We went to Maui, excited to enjoy the wonders of God's creation – the ocean, the beach, the rainforests, the mountains, birds, flowers, and sunshine. God is a master artist, and we were grateful to experience that beauty. In fact, we were prepared to immerse ourselves in that beauty.

What I wasn't prepared for was all the human beauty we experienced. I was surprised at how delightful it was to be around total strangers again. As we sat at O'Hare waiting for our flight, we were surrounded by all sorts of people – young, old, and everywhere in between. There were people of every hair color, every skin tone, many languages, and it was gorgeous. Watching children climbing under the chairs to find dropped toys, seeing partners napping on one another's shoulders, hearing the babble of babies, seeing the joy in the faces of grandparents, anticipating first hugs from grandchildren, was incredible.

To be surrounded in the beautiful diversity of humankind was a totally unexpected blessing. I never realized how much I missed being around people who are different than me. It was refreshing and helped me feel like a citizen of the whole world, rather than a Midwesterner limited to seeing just a few handfuls of people for the last year, most of whom were very similar to myself.

From our hotel balcony, we could see the beach, which meant we got to eavesdrop on 7 different couples' beach weddings that week. It was a joy to witness the lifelong commitments of total strangers. We saw joy in the faces of children playing in waves, in the eyes of an old man feeding popcorn to birds, in the families who were so happy to be together again. Each night, we'd watch the parade of people carrying lawn chairs to the beach to watch the sunset, much like we'd carry lawn chairs to a park to watch fireworks. As I watched all of these people interacting with one another and with creation, I learned more about myself and felt even more connected to our creator God.

We often see God's presence in nature, but it was amazing to see God's handiwork in the people God created – many, diverse, and gorgeous. This summer, I hope you have opportunities to spend time in God's creation, and I hope you too get the chance to see God's grace in the lives of the people God created.

In Christ,

+Pastor Jennifer

Outdoor Worship-*every other Sunday*

Not comfortable worshipping in the Sanctuary yet? Enjoy worshipping outdoors? Then join us for Outdoor Worship in Grace's parking lot every other Sunday at 10:00 a.m. Come and worship from your car or bring lawn chairs to sit outside. Bulletins and communion kits will be provided for you. If the weather looks iffy, an

announcement will be made at the 9:00 broadcast and on Facebook about whether the outdoor service will happen.

Note: There will not be an outdoor service on July 4.

Communion Practices

During the pandemic, we've had to figure out new ways to safely share communion. In the last 6 months, we've experimented with several pre-packaged communion kits, that include both bread and grape juice. The problem with them is that they can be challenging to open. Our newest kits are a different style – chalice-shaped, with bread sealed at the bottom and grape juice sealed at the top. They don't fit in our communion trays, but we're hoping they help make communion consumption a little easier for you. During indoor and worship, we're now passing out communion kits as worshipers enter, so you can consume them during worship at the same time.

Summer Sermon Series

On June 20, we began exploring "stories of unraveling" throughout scripture.

This 12 week series comes with art for each week, as well as a devotional journal for each Sunday's theme. Feel free to pick up an

"Unraveled" Journal, at worship and outside, in our Little Library all summer.

July 4- Peter Sinks in the Water: Unraveled by Uncertainty

July 11- Zacchaeus the Wealthy Tax Collector

July 18- Pharaoh Hardens His Heart to Moses' Request

Opportunities to Serve

After a year of very few of us being able to help out at church, we're starting to have areas where we could use more volunteers. We're grateful for those who have helped to get us through the pandemic. While we're thankful for everything they've done, we want to give them some support and relief. If you don't know how to do these things, no worries – we'll teach you! **We really do need more helpers.** If you're willing to help in any of these ways, please contact the Church Office.

Volunteers Needed

- ◆ **Ushers** (9:00 in the Sanctuary) – Check in worshipers, pass out bulletins & communion kits, wipe down surfaces
- ◆ **Ushers** (10:00 Outdoor worship, every other Sunday) – Arrive by 9:45 to pass out bulletins and communion kits outside in the parking lot as people arrive
- ◆ **Readers** – Read the lesson for either indoor or outdoor worship
- ◆ **Outdoor Worship set-up** – Arrive before 9:00 a.m. to help set up risers, decorations, and sound equipment in church yard (with direction)
- ◆ **Audio/Visual Crew** – Learn how to operate our A/V equipment to eventually join the team of folks who make broadcasting worship possible

Worship Updates from Grace Council

At our June Council meeting, we had another lively discussion about the next steps in returning to 'normal' worship. Here is what we voted to approve:

- +Effective immediately, we will no longer have to sign up for worship.
- +We will sing together all hymns, with masks on.
- +We will give people a little more time to get their vaccination(s). Starting July 18th, we will no longer require masks for the fully vaccinated (two weeks beyond a 2nd Pfizer or Moderna shot, or two weeks beyond a single Johnson & Johnson shot).
- +We ask that those not vaccinated to continue to wear masks indoors (following CDC guidelines), however, we will not be asking people about their vaccination status. We are trusting that you will want to protect those that choose not to, or cannot be vaccinated at this time. Remember that a vaccine is not a choice for young children and some immuno-compromised adults.
- +We will continue to keep pews in their socially-distanced arrangement, until such a time as we need more seating. We will continue to commune in the pews and share the peace within our own groups.
- +Pastor will continue to offer an outdoor worship every other Sunday at 10:00, for those who still do not feel comfortable with indoor gatherings, and for those who simply prefer to worship outdoors!

We will continue to monitor the virus situation and heed the advice of the health experts. Let's pray we are nearing the end of this global pandemic. And, as always, your input is welcome. Thank you all, and God Bless!

A Brief Stewardship Thought– *be careful, not careless*

During our June 13 worship service we prayed, “By Jesus, the worker of miracles, there is always more than enough.”

We know in our hearts that this is true. But in an imperfect world it's not true for everybody. Let's try to raise our awareness of people's needs every day. Then we can act to use our resources carefully and wisely.

God has been generous every day. Give a smile, provide an unexpected act of kindness, pay it forward, remember that food and water are precious, and share the good news of Jesus.

-Janet Koepp & the Stewardship Committee

Greetings from the Evangelism Committee

The Chapel of the Holy Cross is a Roman Catholic chapel built into the red rocks of Sedona, Arizona.

A plaque reads “peace to all who enter”. So it was, as I had the opportunity this May to visit, and found the experience of this holy place profound and moving. Inside, it is as architecturally humble as it is magnificent from the outside – surely a metaphor for the Kingdom of God. The Holy Spirit fills your heart to overflowing with love and peace as you are absorbed by the towering sculpture of Jesus backlit by the clear, bright Sedona sky.

The plaque proclaiming peace was more than a greeting, it was a promise fulfilled as liberation from worry and anxiety; Jesus gladly accepted those thoughts and feelings and replaced them with his words, recorded in Matthew and Luke: “Therefore I tell you, do not worry about your life, what you will eat or what you will drink, or about your body, what you will wear” *Matthew 6:25*, “your Father knows that you need them. 31 Instead, strive for his kingdom, and these things will be given to you as well.” *Luke 12:30-31*

Chapel of the Holy Cross

This small chapel leaves no room for worldly concerns and speaks softly, yet clearly, the Good News of the saving grace of Jesus' sacrifice for us. Worry is not healthy, but peace is restorative to the body - I felt stronger upon exiting. Anxiety clouds the mind - I walked out of the chapel with a focus on the words of the Lord. Best, one cannot be separated from God when faith replaces worry's grievous lie that it is stronger than “the peace of God”. Let us evangelize in the name of the Lord, shout loudly like the towering cross in rocks, or say it gently and profoundly as if within the chapel, but proclaim the Good News of freedom and peace to all. Tell them “6 Do not worry about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. 7 And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.”

Philippians 4:6-7. -Shawn Whitman

The Outreach Committee will take a month off and will NOT be meeting in July.

As this article is being written, our Personal Care Kit drive is still on. Thank you to everyone who made a kit or contributed money for them. We will give the final count in the next newsletter. It may be hard to believe that there are people in the world for whom a bar of soap, a comb, a toothbrush, nail clippers, and a towel are a real treasure. So, give yourself a hug from the person who will benefit from your gift!

The next Community Café will take place on Thursday, July 1 from 5:30-6:30 at Ripley Park. The July café will be hosted by CART and the Cambridge Food Pantry. This free event is open to everyone living or working in the Cambridge area.

"Family Ties"

"Family Ties" got a new meaning, as six member families twisted and rubber banded t-shirts during Grace's summer Family Tie-dye Night on Thursday, June 24th. The event was arranged by our Christian Education/Sunday School Coordinator, Teresa Neuenschwander and provided a fun, evening type VBS event.

Treasurer's Notes for June 15, 2021

As we– along with the rest of the world– continue to work our way back to normality, I wanted to provide a brief financial update for Grace Lutheran Church as we near the mid-point of 2021. Through the end of May, our church continues to operate in the black for the current fiscal year. However, part of the reason we are running at a net profit is due to the Payroll Protection Loan – which we applied for in 2020 – being forgiven and recognized on the books in this year. Without the recognition of those loan proceeds, our organization would be running a small net operating loss of around \$15,000 through the first five months.

While it may be normal for the church to be operating at a small loss at this point of the year– we often play catch up after summer and into the holiday season– it is never too early to fulfill Stewardship pledges for 2021. Though we still have cash on hand to operate for the time being, we appreciate any donations received toward the General Fund to help make for a smooth summer from a financial standpoint.

On the subject of pledges, I would like to remind our members that the end of our three-year Renewing Grace Capital Campaign is upon us. The campaign began with great fanfare in September 2018 and we are near the completion of our effort to pay down debt associated with church renovations. I am pleased to report that the vast majority of our members who pledged to this drive have fulfilled those commitments and, in some cases, beyond. However, we still have a few members who have not yet completed their campaign pledges. I would ask that the sooner these members can complete their pledge, the better.

As of the end of May, the principal balance of the MIF loan associated with Renewing Grace stands at \$29,222.60. We currently hold \$5,209.09 in the General Fund earmarked for monthly loan payments and an additional \$13,174.60 in a segregated money-market account for the campaign. If we used all cash on hand designated toward the effort, we would be left with a remaining loan balance of \$10,838.91.

With that dollar amount in mind, we are very close to paying off the MIF loan and need one last push to bring the capital campaign to a close. I appreciate your consideration in completing your pledge if you have not done so already and look forward to celebrating the end of a successful organizational drive by the time September arrives.

Thank you for all that you do for our church. I cannot stress enough how much we appreciate your donations, your hard work and all of the volunteer hours that you dedicate to making Grace Lutheran the community that it continues to be. If you have any questions regarding the church's finances, please feel free to reach out to me at any time.

Tim Neuenschwander, Grace Lutheran Treasurer

GRACE LUTHERAN CHURCH COUNCIL MEETING MINUTES

June 8, 2021 Via Zoom from Home (*Minutes below aren't approved until next month's meeting*)

Call to Order. Meeting called to order by President Steve Geis at 7:33 p.m.

Attendance. Steve Geis, Amanda Kosanda, Tom Kosanda, Jean Scott, Mary Behling, Jennifer Hellberg, Shawn Whitman, Kris Tobias, Tim Neuenschwander, Ann Engelstad, Kari Jermain and Pastor Jennifer Jelinek. Absent: None.

Devotions. Ann Engelstad offered devotions to open the meeting.

Approval of May Minutes. Jean Scott moved to approve the Minutes, Ann Engelstad seconded the motion, and they were unanimously approved.

Consent Agenda. Jean Scott (Outreach) indicated that they have completed 25 baby care kits. They will be doing school kits again this year and will also be working on personal care kits. In September, they are planning a cook out to raise funds for Jail Ministry. Jennifer Hellberg (Stewardship) reported that she, Ben Becker, and Tim Neuenschwander have continued to look for options for people, like visitors or at-home watchers, to do one-time online gifting. The advantages and disadvantages of a few companies were discussed. Tim made a motion for Stewardship to move forward and bring back to Council an implementation plan, including security features, back to Council for setting up a person-to-person Venmo account. Amanda Kosanda seconded the motion and it was unanimously approved. No other committee reports.

Property Report. Tom Kosanda reported that he has received a request from a neighbor to turn off the automatic light in the parking lot a little earlier. Shawn and Dale indicated they could make that adjustment. Tom also indicated that there is some painting needed on the church building exterior and wondered how we'd like to proceed. He indicated Michael Rehak is willing to chair a committee and was instructed to proceed in that direction. Tom also indicated that a good deal of exterior work got completed on clean-up day. He also reported that it has been noted that the neighbors have extended their landscaping slightly over the boundary line with the church. It was agreed to send a note to them recognizing that issue and giving them permission to use the area so as to avoid any future adverse possession claim. Finally, the Little Library will be used for distribution of summer devotional booklets so Tom will check on remaining wasp issues.

Treasurer's Report. Tim Neuenschwander presented the financial reports and summary. Total income was down in all categories in May, which is typical this time of year. Expenditures were mostly stable so there was a net loss of about \$2000. Still in the black for the year, however, including the PPP loan proceeds.

Tim met with the Financial Secretary and they discussed two matters. First, they reviewed the Renewing Grace pledges and are identifying those that are not yet paid so that he can contact them, and then they'll advise the congregation of any remaining unpaid balance. Secondly, they discussed the church's current financial position since there is only about \$10,000 in general checking. It was agreed that Diane should have the authority to draw on the church's Line of Credit if needed to meet future current expenses. Ann Engelstad moved to approve the Treasurer's Report, Jean Scott seconded the motion and it was unanimously approved.

Pastor's Report. Pastor Jennifer reported that she is leaving on vacation tonight until June 18. An outdoor service is set for June 20th and she will be starting the summer sermon series at that time. She will also be gone on July 4th and Shawn Whitman has agreed to lead the service. A family night is being planned for June 24th. She will be starting the *Inspired* books study on July 12th.

New Business. (1) Ann Engelstad requested permission to use the sanctuary once/week for giving piano lessons to two students during the summer. Tim Neuenschwander moved to approve such request, Jennifer Hellberg seconded the motion, and it was unanimously approved.

New Business continued:

2) The church has been approached about assisting with building a ramp for a community member, both in terms of funds and construction assistance. Virginia Becker, our Administrative Assistant, has offered to write a grant request for \$250 through Thrivent for such purpose. After some discussion, Ann Engelstad moved to offer the congregation the opportunity to make free will donations for such purpose as well, with the hope of at least matching Virginia's grant. Tim Neuenschwander seconded the motion; it was unanimously approved.

Old Business.

Music Director Update. No update.

Return to Worship Planning: Much discussion was held; the following actions were ultimately taken: Tim Neuenschwander moved to remove the requirement of reservations/sign-up, but to continue to require social distancing of the pews and between groups of people, to continue with the practice of taking of communion in the pews, and to continue the requirement of only sharing the peace within your own group of people. Mary Behling seconded the motion: it was unanimously approved.

Mary Behling moved to continue to require the wearing of masks by all persons for an additional month, but to allow the singing of all hymns while masked. In the event that no special meeting is requested by any Council member prior to July 13th, the mask mandate will then be dropped commencing with the service on July 18th. Jean Scott seconded the motion; it was approved by a vote of 9-1.

Outside services will continue every other week for the time being.

Adjournment. There being no further business, a motion was made and seconded to adjourn the meeting and it was approved. There will be no regular meeting in July. Accordingly, the next regular meeting will be August 10th at 7:30 p.m. Tommy Kosanda volunteered for devotions. The meeting was adjourned, followed by the Lord's Prayer.
