Gathering in grace, growing in faith, serving in love

May, 2021

## Pastor's Ponderings

Dear Friends,

Are you one of those people who has to read the end of a book before you even start it? Have you ever just wished you could have a crystal ball to look ahead and see how things are going to turn out? I think the last year has made us all wish we had a crystal ball. Will my family stay healthy? When can I eat in a restaurant again safely? When is COVID going to be over? When can we "get back to normal?"

That's been a question in families, schools, businesses, and churches around the world for 14 months now. Even as churches have started regathering, things haven't felt "normal" because of the physical distancing, different formats, fewer people, and the lack of singing and fellowship time. Some people are excited to be back worshipping in the Sanctuary, some are not yet comfortable, and others are enjoying more flexible worship options at home. So churches have also started looking at this pandemic as an opportunity to reflect on whether "what we've always done" makes sense going forward. Or maybe this "hiatus from the normal" is an opportunity to let go of things that have felt like more of a burden in favor of things that might give new life and inspiration.

We've learned that livestreaming worship meets a need that we weren't aware of. For those who can't be in worship on Sundays at 9:00 a.m., they can worship at home when it works best for them. We've got people worshipping with us from many places in the U.S. None of us could've anticipated that, but what a delight! Serving on committees has been more appealing to many who realize they can participate in meetings from the comfort of their own home. People can volunteer in new ways we never would've imagined before. And I know there will likely be other things gained from this year that will help lead us into a new, brighter future in the church. As Easter people, we've learned that what looks like death and loss, God can turn into life and renewal.

As the Grace community, I think this year apart gives us the opportunity to consider who we are now and what we want to become. While the last year has been tough, we can't forget what we've learned and gained from this experience. So as we move forward, I encourage you to think about these questions: What do I love about Grace Lutheran Church here and now?

What do I want Grace to look like in the future?

How am I called to use my gifts to serve God and others?

In Christ,

*+Pastor Jennifer*

## Opportunities to Serve

After a year of very few of us being able to help out at church, we're starting to have areas where we could use more volunteers. We're grateful for those who have helped to get us through the pandemic.

A huge thanks to our musicians – Ann Engelstad,

Karen Johnson, and Amy Simdon; to our awesome A/V crew – Steve Oostdik,

Todd Tatlock, Michael Rehak, Steve Geis, and Jacob Tatlock; to our outdoor set-up

volunteers –Michael Rehak & Pira Mueller, Shawn Whitman, Todd Tatlock, and others.

While we're thankful for everything they've done, we want to give them some support and relief. If you don't know how to do these things, no worries – we'll teach you!

**We really do need more helpers.** If you're willing to help in any of these ways, please contact our Church Office.

## Volunteers Needed

 **Ushers** (9:00 in the Sanctuary) – Check in worshipers, pass out bulletins, dismiss worshipers at the end of the service, wipe down surfaces.

 **Ushers** (10:00 Outdoor worship, every other Sunday) – Arrive by 9:45 to pass out bulletins and communion kits outside in the parking lot as people arrive.

 **Readers** – Read the lesson for either indoor or outdoor worship  
**Outdoor Worship set-up** – Arrive before 9:00 a.m. to help set up risers, decorations, and sound equipment in church yard (with direction).

 **Audio/Visual Crew** – Learn how to operate our A/V equipment to eventually join the team of folks who make broadcasting worship possible

## Organist Position

Grace is looking to **hire an organist** to play during Sunday worship and for other worship services.

If you know someone who might be interested, please contact Pastor Jennifer to get a job description and more information.

## Treasurer's Report through March 31, 2021

Though the ongoing pandemic has made life challenging on all ends, Grace Lutheran Church continues to thrive thanks to the support of its members. Our membership has maintained its financial support of our organization through the first quarter of 2021, as the church is operating at net income of \$20,824.69 through March. General Giving has remained consistent through the first three months of the year and – with the ability to offer in-person services to additional members – I hope that this trend improves for the remainder of the fiscal year.

In addition to positive signs with operations, I am also happy to announce that we continue to make progress toward paying down debt related to the Renewing Grace Capital Campaign. Based on the generosity of our members, the church was able to pay down an additional \$40,000 of loan principal in January. As of the end of March, the principal balance of the loan stands at \$33,705.12.

As this is the third and final year of our capital campaign, we will be reaching out to members in upcoming months to encourage everyone to complete pledges made to the Renewing Grace campaign. The sooner we can pay down the debt, the sooner we can stop paying interest on the debt. We look forward to working with our members to wrap up the capital campaign before the end of the year.

Thank you for the opportunity to serve as your treasurer. If you have any questions, please feel free to contact me.

Sincerely,

*Tim Neuenschwander*, Treasurer

# Outreach & Social Justice News

**Grace** members exceeded the Lenten Challenge goal! The goal our committee set was to raise \$2,000 to help hungry people; **Grace members contributed \$2,608**. This means hungry people will not go to bed with empty bellies. Thank you so very much!

## Seeking Personal Care Kits

Lutheran World Relief has told us that their warehouse is empty and the need is great for personal items in order to keep up with the demand. We can help! All we need is lots of toothbrushes, soap, combs, nail clippers and towels....things we all take for granted but will make a difference and be cherished by those in need.

Items may be collected and dropped off **during in-person church or drive-thru communion until June 30**.

If you'd like to contribute **cash**, please indicate **"Personal Care Kit"** in the memo line. The collection **concludes on June 30**.

Please consider donating these items:

## PERSONAL CARE KITS

Include the following items in each Personal Care Kit:

-  **x1**  
One light-weight bath-size towel (between 20"x40" & 52"x27"), dark color recommended
-  **x2**  
Two bath-size bars (4 to 5 oz.) of soap, any brand, in original wrapping
-  **x1**  
One adult-size toothbrush in its original packaging\*
-  **x1**  
One sturdy comb, remove packaging
-  **x1**  
One metal nail clippers (attached file optional), remove packaging

Wrap all the items in the towel and tie securely with ribbons or yarn.

## Greetings from the Grace Evangelism Committee

The garden in May sprouts with new growth and a promise of beauty and bounty in its metaphor of the kingdom of God. We all have skills or appreciation for gardens well-tended and seek to share with our neighbors and the next generation, the joy and meaning we derive from them.

I think **this is evangelism - giving our knowledge of faith's role in our lives to others, that they may receive and grow in the Kingdom.**

Yes, but perhaps your thumb is not green and you think if only you could do for weeds what you do for your wilted flowers. Well, know that God always sees you and your garden in full bloom! But it's helpful to have others with whom to share, listen and learn from Jesus' teachings.

Let me ask for your ideas for growing an evangelism group at Grace. And to men, especially, who seek fellowship and the Word; and want to talk about particular challenges, family, work or marriage. I would really appreciate your ideas for evangelism and thoughts on a men's bible study. Please text or call me on my cell at (608) 208-4629.

Thank you!

Shawn

## MEETING MINUTES

April 13, 2021 Via Zoom from Home

*(Minutes below aren't approved until next month's meeting)*

**Call to Order.** Meeting called to order by President Steve Geis at 7:32 p.m.

**Attendance.** Steve Geis, Amanda Kosanda, Tom Kosanda, Jean Scott, Mary Behling, Jennifer Hellberg, Shawn Whitman, Kris Tobias, and Pastor Jennifer Jelinek. Absent: Tim Neuenschwander, Ann Engelstad, and Kari Jermain.

**Devotions.** Steve Geis offered devotions and Pastor Jennifer said a prayer to open the meeting.

**Approval of March Minutes.** It was noted that some language should be added to the paragraph on replacement costs for the garage to clarify that such costs are being sought only for insurance purposes and no actual replacement is intended at this time. With such amendment, Jennifer Hellberg moved to approve the Minutes, Tommy Kosanda seconded the motion, and they were unanimously approved.

**Consent Agenda.** Jean Scott (Outreach) and Kris Tobias (Technology) indicated that they have meetings coming up shortly. Tommy Kosanda (Property) reported below. Jennifer Hellberg reported that Stewardship has had 2 meetings. They have a great group of people who have agreed to serve although she is still seeking a high school representative. They have been discussing the purposes and goals of the committee and are particularly exploring the idea of stewardship beyond financial contributions. Lots of plans are being made and she asked anyone with additional ideas to come forward. Ann Engelstad (Worship) reported via text that the bells will continue through May and thanked everyone who is covering for her following her accident. She also requested that we consider having a camera focused on guest singers if possible. No other committee reports.

**Property Report.** Tommy Kosanda noted that they will be meeting this Sunday and have several smaller issues to deal with, such as wasps. They are also gearing up to paint the beams when the weather improves. Pastor Jennifer noted that Michael Rehak and Dale Klemp have replaced many lights and they look good, especially in the Narthex.

**Treasurer's Report.** Tim Neuenschwander was absent, but provided his reports and summary which indicated that expenses exceeded income in March, but mainly due to the presentation of gifts approved in March. Without those, there was a small amount of net profit for the month and there continues to be a net profit of over \$20,000 year-to-date. Jean Scott moved to approve the Treasurer's Report, Kris Tobias seconded the motion and it was unanimously approved.

**Pastor's Report.** Pastor Jennifer reported that the Easter and Holy Week services seemed to go well. There was a new set-up outside on Easter. About 45 people were at the in-person service and 50 attended the outside service. There is a baptism scheduled for Sunday and the family has reserved 25 spots. They will be allowed to have a small cupcake celebration for the family following the service after everyone else leaves. She is starting a new Bible Study on Monday on the Book of Revelation. She is hoping the church will be able to purchase a Mevo camera which would replace her phone for live-streaming services. It would be much easier for video volunteers to use. Kris indicated this is on the Technology Committee's list. Confirmation starts again on Wednesday for the last few sessions. She expressed great appreciation for Karen Johnson who stepped in with little notice for Easter and has played for many services. She indicated that we have averaged about 20 people for in-person services other than Easter. She noted that the Personnel Committee will meet next week and finish updating job descriptions. Also, the third graders will be getting their Bibles during the April 25<sup>th</sup> service.

## April 13, 2021 Council MINUTES continued

New Business. None.

Old Business. Music Director Update. The candidate they had been working with has bowed out. Personnel Committee will be taking the issue back up at its next meeting.

Return to worship planning. Pastor Jennifer indicated that things are going more smoothly as people learn and adjust. Discussion was then held regarding reinstating outdoor services. Pastor indicated we need a few more volunteers for set-up. It was agreed to continue with a 9:00 inside service and add a 10:00 outdoor service starting May 23<sup>rd</sup>. Drive-in communion will continue every other week. Pastor also indicated that the narrative sermon series are ending, so she is looking at and for ideas for summer sermons.

Adjournment. There being no further business, Jean Scott moved to adjourn the meeting. Amanda Kosanda seconded the motion and it was approved. Next meeting will be May 11, 2021, at 7:30 p.m., via Zoom. Jen Hellberg volunteered for devotions. The meeting was adjourned, followed by the Lord's Prayer.

Report submitted by Mary Behling, Council Secretary

## Pre-confirmation 6th Graders' Lesson in April

We made a resurrection garden, transcribed Bible verses from Braille to print (I'm a Braille teacher), played with chicks and dyed Easter eggs.

We also made a resurrection garden snack with Oreos, frosting, graham crackers and doughnuts- yum! The theme was "just as chicks come out of the eggs, Jesus came out of the tomb to give us all eternal life."
