CELEBRATING 10 YEARS OF KINGDOM SERVICE
(2012-2022)

2022 is a MONUMENTAL Year for **Spirit & Life PublicationsSM**.

On February 29, 2012 our parent company EPIC VENTURES, INCORPORATED officially organized us as a publishing company in the State of Ohio. Our story is quite amazing.

In 1997, the Lord took me from the Midwest and sent me to Los Angeles, where I was commanded to write my first book. Before I could finish that book, the Lord told me to start a publishing company. I had no money, no job and was staying with friends. It seemed totally impossible. My Dad just happened to send me a check for \$50. That was just enough to get the company registered, and purchase ten ISBN numbers from Bowker. This was a miracle from God. Who also gave us the name **Spirit & Life PublicationsSM** which came prophetically from scripture. *"The words that I speak unto you, they are spirit, and they are life (John 6:63)."*

We published our first title in 1998 and obtained our first copyright in 2002. Our first digital release was, *The War Journal (1999-2010) Volume I*, in September of 2010. Since that date, we have published almost four dozen titles in digital, paperback and hardcover editions. We have also published several hundred social media posts, including over 100 podcasts through our **EPIC Books & Cafe** online platform and our blog *Let's Talk Prophecy!* In 2014, we launched our first publication entitled **GRACE For Living Magazine**, producing almost two dozen semi-annual and special editions in digital and print.

In all, we've had a great *trial* run over the past ten years and we're gearing up for BIGGER and BETTER things in 2022 and the years beyond!
