

"where every face fits"

1 MAY 2019

Faces Newsletter

'Where every face fits'

May is one of the most beautiful months of the year. It looks like the weather is slowly changing! Please apply or supply sun cream for your child as we will begin to spend more time outside in the up and coming months, thank you.

WE NEED YOUR HELP

As part of the Early years foundation stage we are asking parents for a one-off home observation. We would like an observation of your child using real life technology such as phones, we

do not have access to these items within the setting. Please pick up a home observation sheet and a step by step guide from a member of staff on your next visit to Pre School.

Did you know?

A child that is read 5 books a day will start school having heard about 1.4 million more words than children who were never read to. Reading stories to your child stimulates their mind. At Pre School we read 2 stories a day to contribute towards this study. Will you help us with the rest?

TAPESTRY
ONLINE LEARNING JOURNAL

Tapestry is an online website/app that we use to record your child's progression through the EYFS (It's also great to be nosy and see what we've been up to!). If you haven't already, please take a look by entering the email address provided on your child's registration form and setting up a password! Its simple! If you do need any help do not hesitate to ask.

Dates for the diary

May half term
(Holiday club)
May 27th - 31st
