'Where every face fits'

**August** is here, the energy levels at the club are sky high. Holiday club is in full swing, the sun is shining, the rain is raining and everyone is in great spirits.

**Pre-school Make over** - Lauren has been working really hard through out the holidays to give the entire Pre-school rooms and display boards a make over. Lots of paint, lots of paper, lots of staples, celotape and sweat have gone in to creating a wonderful setting for the new children. Let us know what you think?

We are delighted with the progress of our new allotment. The children have done an amazing job with planting, weeding and keeping the plot free from bugs. Tomatoes, onions, marrows and strawberries are some of our favourites.

A naughty treat! We have lots planned for the summer holidays however all the children have asked us to make sure all parents are aware of our trip to Creams Ice cream parlour on 7th Aug. Remember to book online.
