

Cherokee Rod Run

**VALVE COVER
RACING**

APRIL 26-27 2024

**777 CASINO DR. CHEROKEE, NC 28719
BIG WHITE TENT**

Remember those old cub scout days with the Pinewood Derby cars? Well, they have grown up...kinda! Your valve cover or "Car" is created by making a chassis, wheels, weights, and whatever go-fast goodies you can add on! Racers can be engineered in any way, so long as they follow the official rules. There will be a minimum of 2 categories, youth (under 12) and adult (13+) with each category competing for cold hard CASH!!!
