

**Our Intent**

Through our French curriculum at Sidmouth College we ensure that students develop and practise their **knowledge** of French. We follow an engaging and culturally enriching curriculum incorporating the different **skills** required for learning a language. We foster pupils who are independent and curious and who have the skills and **confidence** to learn any language needed in their career. Our intent is to instil confidence and enrich **vocabulary** thus developing **oracy** and widening horizons for all. Regardless of ability or background all students have an entitlement to experience the **enjoyment** of learning a language.
