

Business Summary

Fresh Eyes Consulting is an independent consultancy focused on complex business challenges in highly regulated environments. We provide a wide variety of end-to-end service solutions through a dedicated in-house team supplemented by a vast, yet flexible Associates and Specialist Partners. We believe every Client need is different so all our services are tailorable.

— Our Approach

We use a structured process to provide a professional yet personable experience:

— Who We Help

We support organisations of all sizes, from advising start-ups to multi-nationals, with a focus in complex, highly-regulated industries:

Sectors we work in: **Defence** **Aerospace** **Nuclear** **Space** **CNI**

Our approach suits organisations seeking:

Clarity on complex, interwoven issues	Focus to gain momentum in the areas that matter	Vision to know where to go and how to progress
---	---	--

— Our Services

Our services are wide-ranging and shaped to the client's needs. From our in-house team, to our range of Associates and Partners, if we don't already offer the service you need, then we will create it. The list below are commonly requested:

- ◆ **Engineering Project / P3M Delivery** and Turnaround
- ◆ **Independent Assurance / Critical Friend** (including Due Diligence)
- ◆ **Management Consulting** (including GTM, Growth, Strategy, Value Creation Plans)
- ◆ **Strategy and Advisory Services** (including M&A and Corporate Development)
- ◆ **Innovation and Ecosystem Engagement** (including Accelerator Programmes, Horizon Watch)
- ◆ **Business Solutions** (including Consortia, Business Development, Commercial Support)

— Key Benefits

Clients gain:

- ◆ **Clearer priorities** — value-add mentality to target the areas that matter
- ◆ **Risk reduced plans** — independent rigour and a new perspective to identify and mitigate risk
- ◆ **Embedded support** — we go further and deliver with you, not just slideware
- ◆ **Lasting relationships** — whilst consultancy should be outcome based and time-bound, we build lasting relationship with our clients
- ◆ **Competitive time and cost** — due to our scalable model, we can keep costs low but ramp up quickly
- ◆ **Flexibility** — we work in a variety of commercial ways to suit the Client (FFP, MSA, Retainer, T&M, Success Fees)
