

BIRTHDAY PARTY CONTRACT

This contract serves as a legally binding agreement for services between the host/hostess and The Fairmount Salon & Day Spa.

The salon must receive the final guest count, including any add-ons, no later than five days before the event to determine the necessary staff for the party.

Guests should arrive at least ten minutes prior to the start of the party to ensure that salon and spa services stay on schedule. Due to space limitations, only up to four adults will be permitted to stay. Parents are welcome to remain in the lobby/reception area until the conclusion of the party, as our priority is to provide the ultimate party experience for the children. Any special needs or requests should be brought to our attention prior to the party date.

Salon and spa services will begin promptly at the party start time indicated on this agreement. As our time is reserved specifically for your party, guests arriving more than ten minutes after the party start time may not be guaranteed all spa services. All services will follow a rotation between the guests in the party.

A 50% non-refundable deposit, payable in cash or credit only, is due within five days of booking, and the party deposit is also non-refundable. The host/hostess is responsible for and will be charged the full amount of the party package for any party cancellation. The host/hostess is responsible to pay for the number of guests provided at party confirmation. Additional guests may be added no later than three days before the party date, and party bookings are non-refundable.

In the event of illness or an unforeseen circumstance, a one-time courtesy reschedule may be permitted at management's discretion.

For packages that include pedicures, guests should be reminded to bring flip flops on the invitation. If guests do not provide their flip flops, they will be required to purchase them at the party. For safety and sanitary reasons, guests will not be permitted to walk barefoot in the spa, and flip flops are required for all pedicure services.

The salon will contact the host/hostess a few days before the event to confirm all party details. If there are any questions or concerns about the party, please feel free to contact the salon. We are committed to providing the most enjoyable spa party experience for your child and their friends and look forward to hosting your Royal Celebration!

By signing below, you agree to the terms and conditions of this contract and acknowledge you are ultimately responsible for all services in accordance with our cancellation policy.
