Columbia Gas: They are beginning to mill and put a base coat in the trenches. Once this is complete they will pave Brown Street, Matteo and Brown Street Extension

curb to curb. They are pushing back on Brown Street Hill even with the ordinance. Homer met with Columbia Gas and came to the agreement they will pave the top section curb to curb for 250 feet. They will then pave one lane down the hill approximately 11 feet wide. By doing this it will leave 5 feet wide by approximately 540 feet of old asphalt.

Homer asked them to give us a price to pave the 540 feet. The price to do this is \$4800.00

Auto Zone: Site preparation work has begun
