Luxury Vinyl Planks

# *Classics*

## The perfect balance of style and practicality

Our Classics Collection combines authentic natural character and charm of wood in a low maintenance, water resistant flooring that lasts a lifetime.

A blend of British style and sophistication is what catches your eye when you consider choosing from our Brampton Chase Classics Collection. Textured timber designs bring the enduring realism of wood into your home and offer you a floor enriched with a timeless sense of tradition.

Classics looks stunning whilst being durable and low maintenance, making it ideal for every home.

There's so much to love about our Classics Collection.

# Classics

## First impressions that last

Classics is our wood effect luxury vinyl plank collection, which is a water resistant, glue-down flooring that can be fitted in almost any environment.

Made from easy-to-maintain contemporary materials, the natural tones of the large plank layout remain stunning day in, day out. And this means that with its embossed, easy clean but durable surface, you can delight in the touch of nature in your home for years to come.

### The exquisite features of Classics include

- A choice of rich, natural colours and tones
- Large plank layout to enhance the beauty of the wood effect
- Deep emboss for textured realism
- Easy clean surface
- Water and stain resistant
- 0.5mm commercial grade wear layer
- Lifetime guarantee\*

# There's so much to love about *Classics*

Add natural character to any space with a Brampton Chase Luxury Vinyl Floor. Every collection is made from contemporary materials and finished with a premium surface design.

Classics has a commercial grade wear layer making it ideal for home, work and retail spaces.

## Perfect in any space

Classics is engineered to combine extreme resilience with authentic natural looks. There's no compromise between performance and style.

Classics has a hygienic, slip resistant surface created to withstand the demands of everyday life, whilst being very quiet, gentle and comfortable underfoot.

Classics works for the whole family from children to pets, it's durable yet takes minimal effort to maintain. Indulge in wonderful designs that are all created for modern living.

Classics is as versatile as you need it to be, being both moisture and heat resistant it can be fitted in just about any interior space and over underfloor heating systems.

Classics protective UV surface coating prevents dust or dirt from being embedded and makes it very resistant to stains.

White Painted Oak

## Comfortable in every home

Whether it's a bustling urban hot-spot or a calm rural setting there is a style to suit you with performance to rely on.

Silver Oak

Browse the  Collection

## White Painted Oak

*Calming soft tones exude subtle luxury.*

Our White Painted Oak finish is the lightest colour in the collection and can invigorate any room. Soft neutral tones and gentle grain introduce serenity wherever it's needed. Let this versatile design work its magic in any interior space alongside strong accent colours or as the base for a tranquil haven.

## Grey Washed Oak

*A mixed blend of greys create an elegant environment.*

Our Grey Washed Oak finish is a beautifully stylish design that brings an air of charm to your home. Subtle grain and delicate knot details are enhanced by a light surface wash that softens the appearance without losing impact. From urban settings to rural retreats, you can create your ideal interior around this floor.

## Distressed Oak

*Teeming with character to uplift any space.*

Our Distressed Oak finish adds an abundance of aged charm and character to any space. Pronounced grain pattern and knot details create a naturally weathered style for a shabby-chic finish. Distressed Oak works superbly with a huge variety of interior styles helping you achieve your perfect look.

## Arctic Grey Oak

*A mix of natural tones to freshen up any room.*  
Our Arctic Grey Oak finish provides a superbly versatile base on which to build the character of any room. Its unique combination of cooler grey grain over a warm white backdrop can truly refresh any space. An all-purpose, adaptable flooring to compliment an array of colour schemes.

[Order your free sample](#)

## Limed Oak

*Genteel even tones make an elegant impact.*  
Our Limed Oak finish adds an aura of grace and calm to the home. A balanced warm colour palette blends into fine grain detail with darker contours and knots. Comfortable alongside any current trends in decor, this time-honoured design is a true classic.

[Order your free sample](#)

## Frosted Oak

*Brimming with unique traits that make an impression.*  
Our Frosted Oak finish brings a real focal point to any environment. This design merges together striking cross-cut saw marks with a stunning variety of warm tones. Create a dynamic edge in any interior with Frosted Oak.

## Old English Oak

*A modern take on a traditional design.*

Our Old English Oak finish brings a sense of trustworthy, natural durability to any floor. When rural inspiration needs to reach modern lifestyles, this design can accommodate all demands. A firm favourite, perfectly suited to country-inspired interiors.

## Weathered Oak

*A little on the wild-side.*

Our Weathered Oak finish is one of the most striking designs within the collection. Gorgeous swirling grain and bold warm colour variations are the foundation of this unique choice. Add a dash of naturally inspired excitement to any space.

## Farmhouse Oak

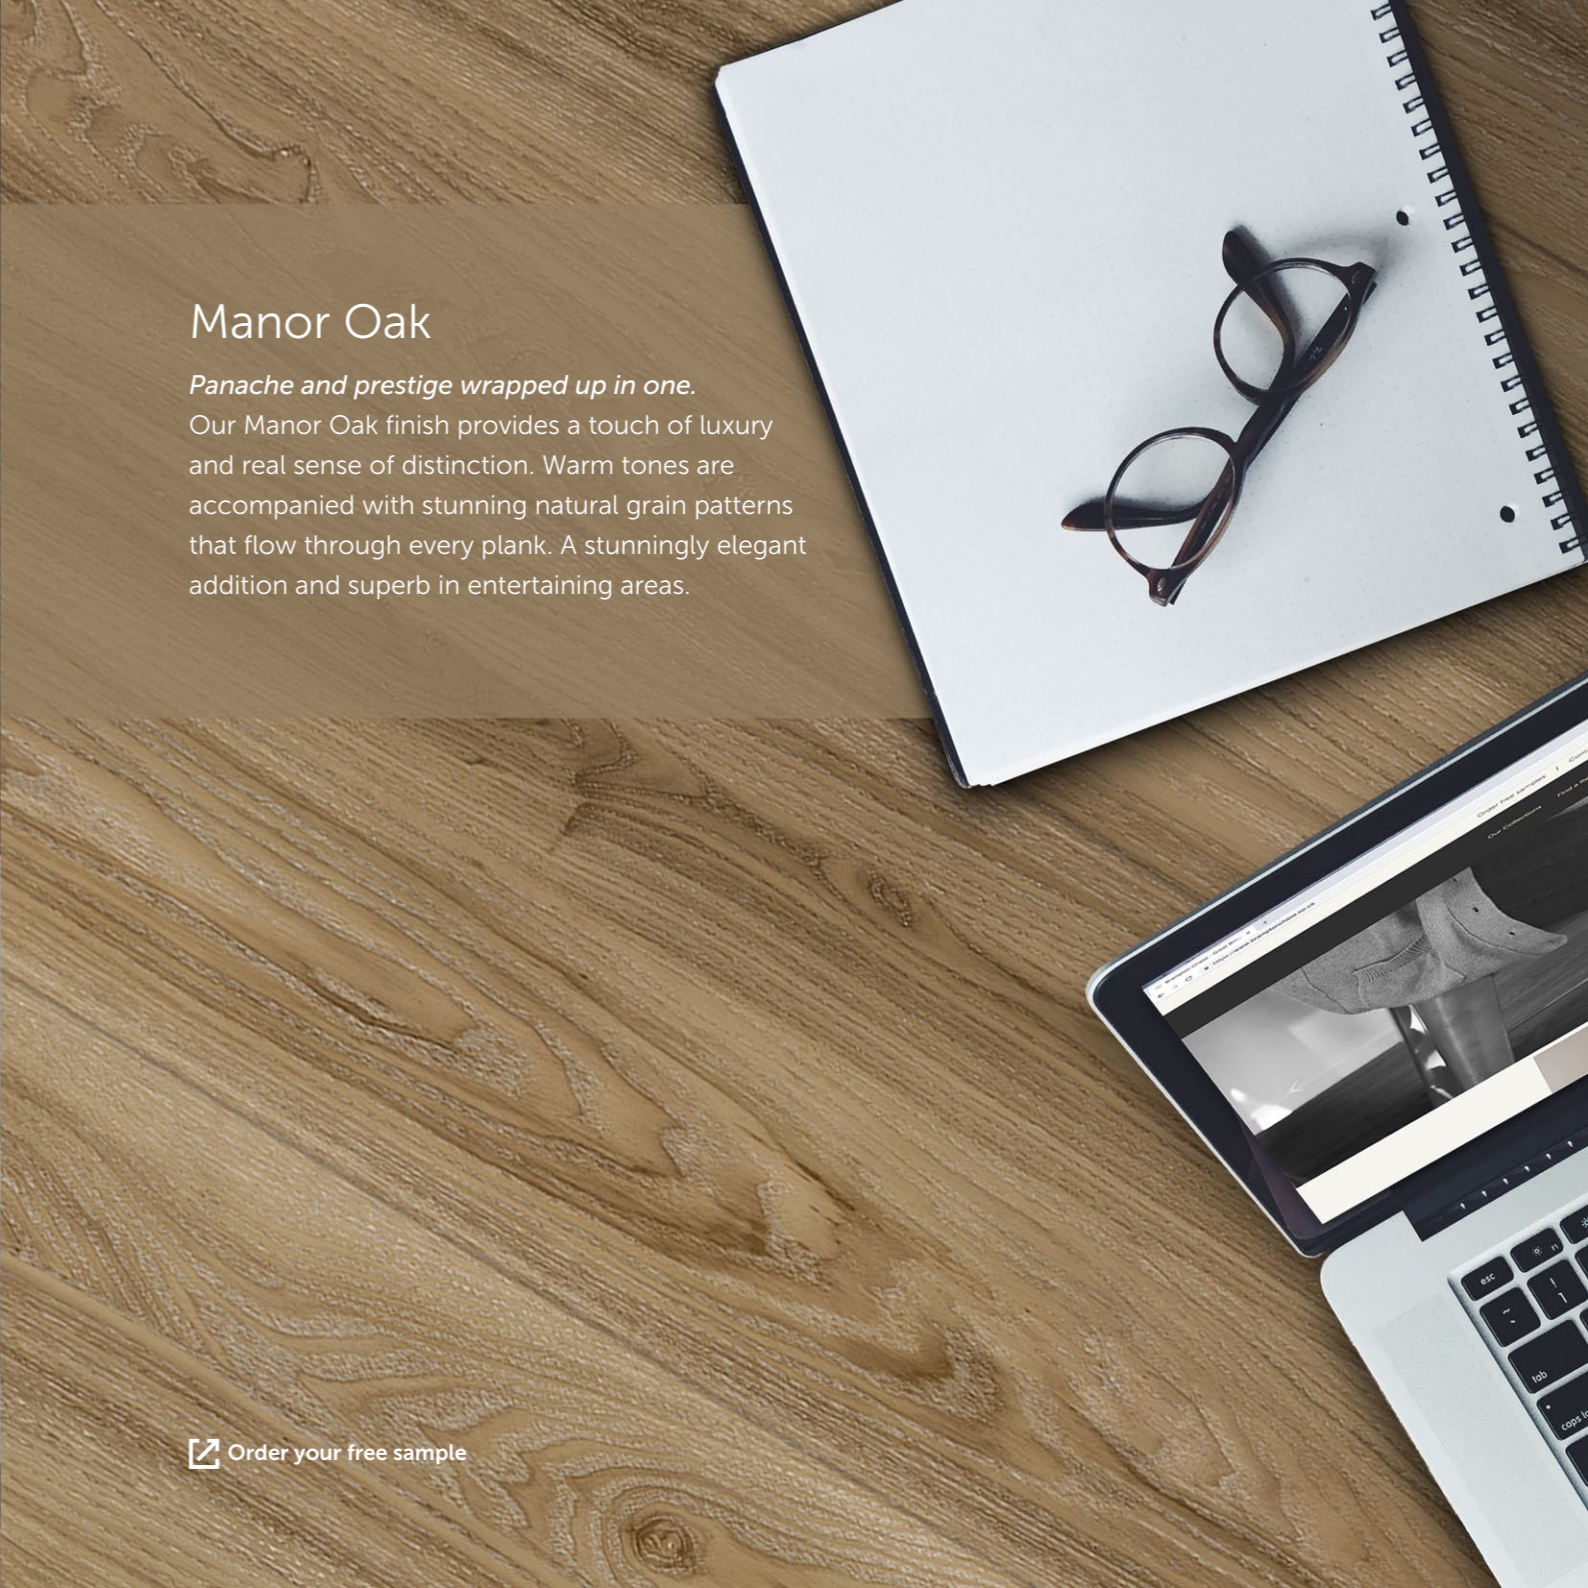

*A traditionally rustic style with idyllic tones.*  
Our Farmhouse Oak finish brings a rustic feel that echoes the understated quality of genuine aged oak. A natural choice when a sense of added solidity and strength is needed. Excellent to add a touch of down-to-earth rural charm.

[Order your free sample](#)

## Manor Oak

*Panache and prestige wrapped up in one.*  
Our Manor Oak finish provides a touch of luxury and real sense of distinction. Warm tones are accompanied with stunning natural grain patterns that flow through every plank. A stunningly elegant addition and superb in entertaining areas.

# Classics The finest detail

**Brampton's protective UV surface coating** is applied to every plank for added protection and a subtle matt finish.

**Advanced durability** with a clear PU wear layer, which protects the floor's design and adds the realistic, textured grain effect.

**Nature in High Definition**, this superior photographic layer adds the natural wood design to the plank. Controlled colour, accurate, consistent and stunning.

**The Core layer** brings balance, flexibility and stability to every plank.

**Essential strength and grip** through a support layer designed to provide a strong foundation and maximum grip on installation.
