Meet Dr. Fufidio

Dr. Dominique Fufidio, DDS, FAGD, is the Founder and main coach at Fufidio Consulting Group (FCG). FCG offers a multitude of dental consulting options for dental providers, dental offices, dental device and dental insurtech companies. Dr. Fufidio has pioneered a unique coaching experience for dental offices, and has brought her thought leadership and dental expertise to the dental device and technology industries.

Prior to consulting, Dr. Fufidio has established herself as a successful, fee-for-service, private practice owner, top performing dental claim reviewer and Utilization Review Director for the largest Utilization Review Agent in the United States, dental artificial intelligence co-creator for Overjet. Now, her main “claim to fame” is bringing clinical alignment

to dental providers and the dental insurance payer market, as well as clinical expertise to novel dental technology for market futuring. Visit out www.fufidioconsultinggroup.com for more information.
